Welcome to Rotherhithe Primary School

Welcome to the **2016-2017** academic year at Rotherhithe Primary School.

Exciting times lie ahead for your child as they enter their new class with new friends to make, new teachers to get to know and new routines to become familiar with.

The idea for this parent handbook came from realising that lots of the 'little' things about life at Rotherhithe Primary were a bit of a mystery to parents new to the school. So rather than wait for everyone to work it out for themselves, we decided to pull it together so parents can start the school with a better understanding of how it works. It also aims to give parents and carers guidance on who to talk to if there are any concerns or worries, explain the organisation of the school and what we can offer you and your child.

We hope that it provides you with all the information you need to help you settle in as a parent or carer at RPS. Please let us know if you have other questions, and we'll aim to update the handbook each year. As you probably know, RPS is a popular two form entry community school (meaning there are two classes in each year group except for our current Reception and Year 1 which have 3 classes). The school is particularly keen to involve you in your child's learning, by letting parents know what is happening in class, and supporting you to be able to help your child.

Academic progress, Art, Music and Sports are particular strengths of the school. Teachers work hard to make learning interesting and relevant for the children. The school also aims to develop a really caring atmosphere, with older children being encouraged to help younger ones. All children are encouraged to take on some responsibility, appropriate for their age.

We welcome, celebrate and are very proud of our diverse community. Whether you are outgoing or shy, new to the area or have lived here for years, we hope you enjoy your time as a parent here. I would also like to inform you that Rotherhithe is currently in a soft federation with Dog Kennel Hill primary school in East Dulwich since May 2014, when we are asked to support this school. The two schools have been working well as partnership and both schools have gained from this partnership.

NB 'Parent' has been used here; but really we mean 'parent or carer'.

Absence

Good attendance at school is very important for pupils' educational progress, friendships and self-confidence; it is also a statutory requirement. We monitor attendance carefully and will contact you if we have any concerns. Please arrange routine medical and dental appointments outside school time wherever possible.

Please do not arrange holidays during term time as any such absences will be unauthorised and no work will be provided.

If your child has been unwell with diarrhoea or vomiting, please ensure that he/ she is symptom free for 48 hours before returning to school. A pupil who has been unwell with a high temperature (over 37.5 °C) should not return to school until he/ she has had a normal temperature for 24 hours.

What to do when your child is absent

1. Where possible, please call the school office on: **0207 237 1586** by 9.30am to inform them of the reason for the absence, alternatively you can leave a message on Option 1. Please provide a letter on their return explaining the reason for absence.
2. Alternatively, you can complete a 'student absence form' (available from the school office). If your child has been to see a doctor/nurse please provide a note or appointment card.

3. The school office can also provide you with a letter that can be signed by your GP as proof of absence due to illness. These documents will be placed in the child's file to show authorised absences.

After School Club

There are currently 26 after school activity clubs running across the week. Some club selections are directed by the school, whereas others are on a first come first served basis. Lisa Christiansen is in charge of overseeing after school club provision.

Assessment

Our assessment procedures changed in 2015, following the government's decision to move away from assessing children using levels and sub-levels. We have worked with Southwark to develop the Southwark Tracking & Assessment Record which measures Children's progress in relation to the expected attainment for their age. As an example, there are three steps during each year – *emerging*, *developing* and *secure*. Children will

move through these stages as they are taught the content appropriate to each step, before moving on to the next year's steps. There is an added non-essential step, which some children will take, called *greater depth*. This is an extra step, beyond *secure*, for children who demonstrate particularly resilient and confident understanding of the skills they have been taught and can apply them in many different ways. There is a systematic program of training in place for all staff during the year.

Assessment in Reading

Assessment in reading is carried out through guided reading and the use of Southwark Tracking & Assessment Record materials. During Guided reading sessions, teachers will carry out informal assessments of children's progress in reading. The children's reading journals will also form part of the evidence base when assessing for reading. We are also periodically using Reading Tests to support assessments.

Assessment in Writing

Writing will be assessed using the Southwark Tracking & Assessment Record materials. Every half term children's writing will be assessed. Writing moderation (this is when we check and confirm how we are judging children's writing) will also be carried out routinely throughout the year

Assessment in Maths

In both Key Stage 1 and Key Stage 2 teachers will use the Southwark Tracking & Assessment Record materials to assess progress in maths for groups and for individuals.

Children's individual targets will focus only on number and calculation skills. We will use Maths Tests periodically to support assessment.

Assessment in the EYFS

The children in the early years, which include day-care and the nursery and reception classes, follow the Early Years Foundation Stage curriculum. This has a formal assessment at the end of the reception year. Children are expected to have reached the early learning goals in five learning areas so that they can achieve what is called a "Good level of development". This assessment is carried out through observing what children can do in school and by finding out what children can do at home and collecting this information on our electronic tapestry system and in children's learning story books. You will have your own log on details to access the tapestry system and see photographs and videos and observations of your child's progress at school. Early years teachers will ask for your help and contributions to your child's learning story either by commenting online or talking to your key person.

Attendance and Punctuality

It is very important that children attend school regularly and punctually in order to take full advantage of all the educational opportunities offered to them and to make good progress.

It is the parents' responsibility to inform the school as soon as possible if their child is going to be absent.

If the school has not been notified by 9.30 as to why your child is absent you will receive a telephone call/text message requesting the reason for the absence.

Where no reason is provided for absence it will be marked as unauthorised, this could lead to the involvement of the Education Welfare Officer from Southwark Local Authority.

When your child returns, the school will deem them fit, not only to attend school but to take part in all activities including PE and playtimes unless there is a specific reason for not taking part in the activities noted above.

Breakfast Club

The school operates a Breakfast club every day before school for children aged 5 and over. The club runs from 8.00am to 8.55am and will offer a hot breakfast for children at a cost of £3.75 per week. Children must be dropped at the school office.

Across the week they will have the following on the menu:

Eggs, Toast, beans, sausages, hash browns, croissants, cheese, jam, cereal, milk, water and fruit

There are 50 places available. If you would like your child to attend the breakfast club please complete an interest form (available from the front office). Please note that priority will be given to working parents' and pupils who receive Pupil Premium Funding.

British Values

British values are: Democracy, the rule of law, individual liberty, mutual respect, and tolerance of those of different faiths and beliefs. These values are promoted and taught through our RE, History and PSHCE curriculum which includes Philosophy for Learning and they are promoted through our school council and school's Behaviour policy.

Class Assemblies

Throughout the year every class from Year 1 to 6 will take part in a class assembly. Parents are very welcome to come and watch. The class teacher will let you know when the assembly will be taking place via SMS or class invite.

The Key Stage 1 class assemblies are held in the lower hall at 11:15 am.

The Key Stage 2 class assemblies are held in the upper hall at 11.30am.

Communication with the school

Contact details for the school appear at the front of this booklet and on our website. We communicate with parents in a variety of ways.

Parent Meetings (Parents will receive a letter inviting them to meetings.)

You may wish to speak to your child's class teacher at other times during the year. You can request an appointment that is mutually convenient. Although quick verbal messages can be passed on in the morning, you will appreciate this is a busy time when staff are preparing for their teaching day so cannot give you the time you may need.

Complaints Policy

Please download this directly from our website:

<http://rotherhitheprimary.co.uk/school-policies/>

Concerns/Complaints

If ever you have any concerns or complaints please raise them with your child's class teacher initially. It is always the aim of the school to resolve any issues or concerns informally. If, however, you do not feel your concern has been addressed after speaking with the class teacher please request an appointment with the Assistant Head (please see staff list for information).

We hope that this process should provide a resolution to any concerns or complaints you have, however if you are still unsatisfied please request a meeting with the Deputy Head or Head Teacher.

Curriculum

We offer an exciting, creative broad and balanced curriculum which includes; stimulating and engaging lessons, music, drama, dance, Spanish to mention a few. Children have regular opportunities to go on exciting

school trips and residential trips nationally.

Our music provision offers all children a music lesson once a week. In addition to this there are recorder, keyboard and choir lessons available for particular year groups at Key stage 2.

We follow the New National Curriculum (2014) and ensure that we maintain all the exciting areas we've mentioned before. In light of the changes, computing provision will have a higher focus on programming and multi-media. We use Information Technology (IT) across the school to enhance our teaching and learning.

Dogs

Dogs are not permitted within the school grounds with the exception of guide dogs.

EAL

At Rotherhithe we have children with a wide range of ethnic background and we take every opportunity to celebrate our diverse community. For some children who have English as an additional language may need some extra support in school. This is provided by named members of staff who, work both in the classroom and take small groups or individuals for additional language support. Parents who are new to the country or to the school will be given a brief induction to ensure that they are well informed about the organisation of the school and the provision available. We provide translators for parents who have English as an additional language during parent meetings.

Emergency contact details

To allow easy and effective contact with parents we ask that you keep the school supplied with your most up to date details, including address, mobile and landline numbers for home and work. Should any of these details ever change you need to inform the school as soon as possible.

At Rotherhithe we recognise there are different types of family structures at our school. We realise not all children live in the same house day-to-day. If your child/children split their time between houses let us know to help ensure better communication, please speak to the school office. Once we have a better understanding of things we may be able consider options such as text or email communications for parents of children whose domestic situation means a letter in their school bag is not sufficient.

First Aid

Occasionally children will have an accident while at school. We have qualified first aiders on site during the day. First aid will be administered by qualified staff, in the case of any head injuries parents' will receive a letter home explaining that your child has had an accident and the action taken. If it is thought any injury requires additional treatment or close observation, the parent/carer will be called and asked to collect their child.

EpiPen

If your child has a severe allergy that requires the use of an EpiPen, please ensure you alert the office staff so

they can communicate the message to all staff. EpiPens must be kept in the school office. Please ensure they are clearly labelled with your child's name. There are trained staff on site who can administer an EpiPen.

IT IS THE RESPONSIBILITY OF THE PARENT TO ENSURE THAT ALL MEDICATION IS AVAILABLE AND IN DATE.

Extra-Curricular Activities

There are a number of activities after school for children in Years 1-6. Information and application forms will be sent out at the beginning of term.

In addition to this we also offer Dance, and Judo lessons. More information will be sent out at the beginning of September. Please make any arrangements with regards to after school clubs prior to the school day. A list of all our extra-curricular activities will be available on the website.

Mindfulness

Each day in every class across the school the children and staff will have a 1-2 minute "brain break", where we practice mindfulness. This happens three times per day and helps children to remain calm, focussed and concentrate and prepare their brains for learning. This is accompanied by a series of lessons throughout the year focussing on teaching the children simple neuroscience to help them understand how their brain works.

Forest School

As of September 2013, we have offered a 'Forest School' programme to our Day Care, Reception and Year 1 children. Children are selected

following a needs analysis. Each group will be completing a six week programme.

The sessions run on a Wednesday at Southwark Park. Two members of staff run the programme. Children will attend in groups of 8. All equipment that the children might need will be provided by the school. Occasionally we might request parent volunteers to join the sessions. You will receive a letter with full details before the session's starts.

Yoga

Yoga sessions are offered to children in day care, nursery, reception and year one classes. Children are selected following a needs analysis.

Foundation Stage

This is the name for the Day care, Nursery and Reception classes. They follow a curriculum called Early Years Foundation Stage (EYFS) which is play-based and involves a balance between 'child-initiated' (chosen by the child) and 'adult-initiated' (led by an adult) activities. In the day care staff are allocated according to the adult to child ratios described in the welfare requirements of the EYFS. In the school nursery and reception classes, each teacher is supported by two other adults who are in the classrooms at all times, working with the children.

Foundation Stage and Key Stage 1 together are sometimes called 'the Infants'. Children in the Foundation Stage are assessed using the 'Good Level of Development' and Early Learning Goals' criteria. Children in Reception will be assessed within the first four weeks of starting. It does not include any predetermined tasks or

tests and will not disrupt settling in routines. Instead, as part of their everyday practice Teachers build their knowledge of each child through their observations, interactions and every day activities. They use this professional knowledge to make a series of judgements about each child based on a clear set of assessment criteria. You will be able to ask your class teacher more about this and regular meetings are arranged for parents in the early years before your child starts and throughout their time in this phase.

Free School Meals

If you are in receipt of a benefit e.g. Income Support or Jobseekers allowance, you may qualify for 'free school meals', this is not the same as the healthy free school meal provided by Southwark. If you think you may be entitled please collect an application form from the school office and it will be returned to Southwark council for processing. It is important that the school identifies those families that are eligible for a free school meal as we will receive additional funding per pupil, which will help benefit the school and additional support for all children.

PTA

The association supports the school in many ways, including organising events to raise money for the school.

These events include; The Summer Fair and other fund raising events.

The association is led by Dominique Phillips.

Governing Body

They are the strategic leaders of our school and have a vital role to play in making sure every child gets the best possible education. This is reflected in the law, which states that the purpose of maintained school governing bodies is to 'conduct the school with a view to promoting high standards of educational achievement at the school'

Governing bodies have a strong focus on three core strategic functions:

- a) Ensuring clarity of vision, ethos and strategic direction;
- b) Holding the headteacher to account for the educational performance of the school and its pupils, and the performance management of staff; and
- c) Overseeing the financial performance of the school and making sure its money is well spent.

Inclusion

The inclusion team is led by Ms Lisa Christiansen (Head of School). She has a team of staff who support children with English as an additional language, Special Educational Needs, Phonics, Speech and Language, Safeguarding and Behavioural needs.

Jewellery

We allow children to wear watches. However, no jewellery should be worn in school. It is not necessary and can be dangerous. If girls have pierced ears then small studs are allowed, no hoops please, earrings can be easily caught and pulled during the day especially at playtime and P.E. If your child has hoop earrings in they will be asked to remove them for P.E, if they cannot they may have to miss the lesson for safety reasons.

Key Stage 1

This includes Years 1 and 2, which are the first classes to follow the National Curriculum. All classes have at least one Teaching Assistant as well as their class teacher. There are also other adults working in the class at different times.

Children in Year 1 complete a Phonics Check exercise at the end of the academic year (usually around June). This exercise monitors the child's knowledge and phonological understanding. Children who do not meet the required pass rate will be given a second opportunity to complete the phonics check in Year 2. Parents are informed of their child's outcomes at the end of the year. To support parents, we will arrange phonic workshops during the academic year to enable parents to support their child at home.

There are statutory tests which children need to complete at the end of year 2. These were called SATS. Children are expected to complete a reading, writing and Maths task. There is now a statutory Grammar Test for children at the end of Year 2. Parents

will be given their child's results as part of the end of year report.

Key Stage 2

This is Years 3, 4, 5 and 6. Classes usually have at least one Teaching Assistant as well as their class teacher. There are also other adults working in the class at different times. Key Stage 2 is sometimes referred to as 'the juniors'. You can search for 'national curriculum' at www.direct.gov.uk for more information, or visit the curriculum page on our website.

There are statutory tests which children need to complete at the end of Year 6. These were called SATS. Children are expected to complete a reading, writing, Maths and SPAG (Spelling, Punctuation and Grammar) tasks. Parents will be given their child's results as part of the end of year report.

Late Arrival

Please ensure your child arrives on time; it is very disruptive to the class and teacher if children arrive late. Additionally, some children find it very difficult to settle into the school day once they missed the start of a session. The gates will be shut at 9am. Late arrivals must enter via the school office and will be required to sign the late sheet and give an explanation as to why the child is late. If you know your child is going to be later than 9.30am please call the school office to enable them to book your child in for a school meal.

Late Collection

If you are running late to collect your child at the end of the school day, please call the school office as soon

as possible so that we can let your child and their teacher know. Young children can become anxious if they do not see their parent/carer at the end of the day and giving them reassurance that you have called and are on your way can soothe them. All children will be brought to the school office if they are not collected on time, when parents arrive they will be asked to sign the late collections sheet and provide a reason for being late.

Children from Nursery to Year 4 must be collected by an adult, (16 years or above). Older siblings from the school are not permitted to collect younger children. Children in year 5 & 6 will be allowed to walk home alone provided the school office has received written consent from their parent/carer. However, they will not be able to take younger siblings home with them.

If another adult (other than those adults listed on the contact list) is collecting your child please let their class teacher know in the morning, if this is not possible please call the school office so that the message can be passed on. We cannot facilitate ad hoc arrangements as this becomes a safeguarding issue.

Letters

We communicate with parents via class or school letters to share information or to gain permission for children to participate in activities or school trips. We also use text messages for information sharing.

Lunchtime

All children from Reception to Year 6 are eligible for a healthy free school meal provided by Southwark Council. Children that attend the nursery have

to pay for their meals at the cost of £1.70 per day.

A menu will be sent home at the beginning of the term for your information.

If you prefer you may send your child with a packed lunch. We ask that you make a choice of either school meal or packed lunch for 1 term to avoid confusion and to ensure that enough meals are prepared for the children.

Medical Appointments

If your child has an unavoidable medical appointment during the school day please bring the appointment letter/card into the school office, unfortunately we are unable to authorise any absence for appointments without this. Please try and let the school know in advance if your child will be absent for an appointment, this will allow us to inform their teacher and to book the child's lunch (where applicable).

Medication

Staff can only administer prescribed medicine to children while they are at school.

If children have been prescribed antibiotics to be taken 4 times a day, please bring the medicine to the school office and complete a consent form allowing staff to administer the medicine. Medicine will normally be administered by the admin officer. All medicine must be handed to office staff to be stored safely, please do not send medicine bottles for children in their bag for them to administer independently.

Asthma pumps are kept in the school office, if your child requires an asthma pump please ensure it is clearly labelled with the prescription label and handed into the school office, children within the main building can access their pump throughout the day when required.

Mobile Phones/electrical devices

Electrical items such as MP3 players and Games consoles etc. should not be brought in to school they are not necessary. If you need to get a message to your child during the day please call the school office who will deliver the message. If your child needs to bring a mobile phone these are collected at the beginning of the day and stored in the school office.

More Able pupils

When children are identified as showing particular talent or high ability in a certain area e.g. music, sport, art or academic we ensure that children have opportunities to enhance and build upon their talents. We do this in a variety of different ways such as visits, competitions, specific projects and high levels of differentiation in the classroom.

Newsletter

Each child will receive a weekly newsletter, to be sent home on a Friday. This newsletter is also available to view via our website. The newsletter gives parents' an overview of the week and includes a 'dates for your diary section'.

Office Team

The office team is managed by **Mrs Maxine Walters** and supported by Mrs Sharon Hudson. They are very knowledgeable and experienced

and will be able to answer most of your queries or direct you to the person most suited to help you.

We hope that you will understand that the office team play an important role in the organisation and smooth day-to-day running of the school.

They are more than willing to take messages from parents for class teachers, curriculum leaders or other staff. In addition to this we will contact you in emergencies via telephone or SMS. We hope you will support us by working in partnership in the best interests of our children.

Physical Education

All children will take part in two P.E lessons per week as part of the curriculum. You will be informed which days your child will do P.E at the beginning of term. Children from year 1 to year 6 will be expected to have their kit to change into on the days they do P.E.

Children will need to bring all P.E. kit for lessons including outdoor clothing and footwear and indoor clothing and footwear.

Indoor P.E. kit will be plain white T-shirt (T-shirts with school logo on are available from the office), black shorts and trainers or plimsolls.

Outdoor P.E. kit will be black or grey tracksuit bottoms/leggings, with the same white polo t-shirt and trainers.

Children in Year 4 will have weekly swimming lessons for the whole school year as part of the P.E curriculum. A letter confirming the lessons and advising you what kit they need, will

be sent home during the summer term prior to the children joining year 4.

Children in Year 5 & 6 will have weekly Judo lessons and children in Reception, Year 1, 3, 4 & 5 will also have dance lessons. Children in Year 1, 2 and 3 also have Totstars. This will rotate on a termly basis. These sessions will count as one of their weekly P.E. sessions.

There will be regular opportunities for the children to represent the school in a variety of sports and activities throughout the year. This might include local and national competitions.

Safeguarding

Shirley Walters is in charge of safeguarding and intervention. This includes attendance, punctuality and student and family welfare. She will regularly review attendance and punctuality for all pupils. Parents you can help by ensuring your child attends school regularly and on time. Should you have any questions or concerns please make an appointment to meet with Ms Shirley Walters. We follow strict guidelines from Southwark and National legislations. We are obligated to report any disclosures or concerns via referrals to the appropriate bodies concerning the welfare of our children.

School Day

School starts at 8:55am, when the bell will be rung. The school gates will be open from 8.45am, so families can start to arrive, please note that the playground is not supervised before 8:55am so parents/carers must stay

with the younger children until they enter their classroom. Children should not be using the playground equipment before school unless supervised by a parent/carer.

Parents and children should be using the entrance gates on Hawkstone Road, they should not be entering the school through the main entrance unless they are attending Breakfast Club, have arrived late or have an urgent message for the office.

SMS

We use SMS to share information with parents regularly. Please could parents ensure that we have your up to date mobile number at all times.

SEND

At some point in a child's school career they may experience some difficulties with their learning. Please find more information about this in the Special Educational Needs: A Guide for Parents and Carers which can be found on the school's website:

<http://rotherhitheprimary.co.uk/special-education-needs/>

Snacks

All children are offered a piece of fruit as a snack provided by the school.

This will be available in their classroom; please do not send in individual snacks for your children. It is important that children do not bring in and share food due to allergies.

Drinks: All children in the early years have access to drinking water within their classroom. Children from years 1 to 6 are welcome to bring in a named water bottle to be kept in the classroom. Water is offered during lunch and breakfast and children are encouraged to use the drinking fountains in the playground.

Children within the nursery are offered a carton of milk during the day.

Term time leave / holidays

The Head Teacher is unable to authorise any term time absence for holiday/travel. If your child is going to be absent from school for a holiday, please complete a request form and return to the school office.

Southwark council have recently introduced Penalty Notices for irregular attendance and term time leave. Please see the advice sheet attached.

Website

The school website

www.rotherhitheprimary.co.uk

contains a wealth of information about our school. There are many sections including future events, life at RPS and the school calendar which

aims to keep parents updated with what is happening at the school. The school Governors have a dedicated area and parents are able to view

minutes from their meetings. Many of our policy documents are also available to download from the website for your information.

COMMUNICATION WITH THE SCHOOL

We communicate with parents in a variety of ways. There are a series of parents meetings throughout the year. (Parents will receive a letter inviting them to meetings.)

Autumn Term (Sept – Dec)		
Type of Meeting	When?	What can parents expect at this meeting?
starting school in nursery and reception	Summer term before your child starts	Information about the experiences your child will have in Reception and nursery classes, settling in procedure, the curriculum, uniform, wrap around care.
Home visits	Before your child starts school	A chance to meet your child's key person and share information about your child. For the school staff to get to know the child where they feel most comfortable.
Meet the new teacher	During September – normally the second week of term	Discussion on behaviour strategies, communication, when PE will take place, homework policy / expectations.
Sharing Targets with the class teacher	During early November – normally a week after half term break	Formal meetings where you will be given the opportunity to sit down with your child's class teacher and look at the targets set for the term, see examples of their work and ask any questions you may have about your child's progress.
Special education / Individual Intervention Plan meetings with the class teacher	September- to discuss the needs and provision for each child.	A meeting with the class teacher discussing and reviewing the Individual Education Plan (IEP). It might also be possible that the Inclusion Leader may be able to join the meeting at your request. An opportunity for parents to raise any concerns they might have about their child's learning or progress.
Spring Term (Jan – April)		
Parents and children share learning in class	Second half of spring term – children show parents their learning journeys and books.	Although the class teacher is present, this meeting is mostly where children have the opportunity to show their parents all the good work they have been doing over the year at that point. Class teachers are also available to answer any questions about the learning.

Review Special education / Individual Intervention Plan meetings	February/March - Normally after the first half term	A meeting with the class teacher discussing and reviewing the Individual Education Plan (IEP). It is also possible that the Inclusion Leader may be able to join the meeting to support. An opportunity for parents to raise any concerns they might have about their child's learning or progress.
--	---	---

Summer Term (April - July)		
Celebration and to discuss report – with class teacher	Normally in July	Annual reports will be sent out and if you have any concerns these need to be raised individually with the teacher via a mutual appointment. All parents will be invited to an end of year celebration to be held in the summer term where parents are invited in as a group to see their child's work from that year and have an informal chat with the teacher.
Meet new teacher	Normally mid – July	Parents will be given a letter with dates and times to meet their child's new teacher for September. This is just an informal meet and greet.
Review Special education / Individual Intervention Plan meetings	Early June - Normally after the first half term	A meeting with the class teacher discussing and reviewing the Individual Education Plan (IEP). It is also possible that the Inclusion Leader may be able to join the meeting to support. An opportunity for parents to raise any concerns they might have about their child's learning or progress.

Rotherhithe Primary School Communications Procedure

Introduction:

We at Rotherhithe want to make it easy for you to get in touch with any concerns or questions you might have. This procedure, outlined below, is to make it clear and easy for parents to communicate with the school regarding any queries. We hope this explains clearly the process for expressing concerns, and clarifies which member of staff is best placed to speak to you about given issues.

We understand the importance of a strong working relationship between parents and staff in supporting all of our children in their learning. In addition to these procedures, the Head Teacher, and Deputy Head Teachers look forward to speaking to parents in the playground and at school entrances. If you have concerns about your child you should speak to your child's class teacher including any SEND.

Safeguarding:

At Rotherhithe, it is of paramount concern that all of our children are happy and safe. If you have any concerns about the safety or wellbeing of a child, please speak to one of our designated Safeguarding leads. They are Welfare Officer, Shirley Walters, Head Teacher or Deputy Head Teachers. They are in the main playground in the mornings and in the afternoons.

Chain of Communication

Class Teacher:

You should approach your child's class teacher, in person where possible, in the first instance to discuss:

- Home learning
- Social, academic and personal progress
- Classroom and playtime incidents.
- Organisation issues, e.g. lost property which is not in 'Lost property Area'
- Arrangements for end of day pick-ups and appointments
- SEND concerns

Key Stage Leaders:

Assistant Head Teachers Yasmin Begum and Georgina Hopper currently on maternity

EYFS coordinator Francesca Facciani)

For **Nursery and Reception:** Speak to Francesca

KS1: Years 1,2 and 3, speak to Georgina

KS2: Years 4,5 and 6, speak to Yasmin

You should approach them by arranging an appointment via the office to:

*Discuss on-going concerns, or unresolved issues in the first instance before speaking to the Head of School.

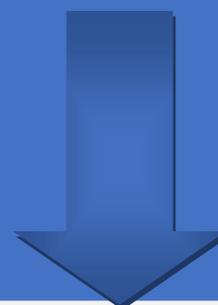

Head Teacher:

You should approach Mrs Galiema Amien Cloete

(office@rotherhithe.southwark.sch.uk) to discuss:

- unresolved issues after speaking to the class teacher and Key Stage Leaders or Early Years Co-ordinator and or Head of school.
- Safeguarding concerns as mentioned above

Other Communication Needs:

We understand that you have a range of communication needs and are committed to positive communication. Please approach the members of staff below as outlined to discuss any appropriate issues.
