## Creative Homework Project: The Winners are announced!

Thank you for encouraging your children to be creative at home. They are fantastic homework pieces! Once again this made choosing winners from each class a daunting task. We are displaying lots of World War 2 shelters in the Reception Area, and there are mixed projects on display at the back of the infant hall, so please look out for these, but treat them with care.

We can't wait to see what the children produce at the next creative homework project for the May half term!

## World Book Day

It was a joy to see the smiling children walk through the gates in their fantastic character costumes this morning. They look truly amazing!

It was a tough choice but a winning costume was selected from each class and the children have selected a book as a prize.

The children will be bringing a £1 book voucher with them, so don't forget to go and buy a book!

**Year 6 Safety: Junior Citizenship Scheme**

On Tuesday afternoon the year 6 children visited the fire station on the Old Kent Road. The purpose of this trip was to teach the children about how to keep safe.

The children were presented with 7 scenarios: fire safety, bike safety, road safety, dog safety, bus safety, underground safety, stranger danger and knife safety. They considered and learned how to keep themselves safe from such dangers and threats.

All adults and teachers were impressed at the brilliant behaviour and participation shown by our year 6 pupils. Their behaviour was exemplary and they were fantastic role models for other schools.

Well done year 6 you were commended as the school with the best behaviour! We are not surprised we know you are brilliant!

**Beavers Leaders visit Rotherhithe**

Leaders from a local Beaver group came in this week to speak to Year 2 and Year 3 children about activities that they do at Beavers Club.

They played games, sang songs, and learnt about the values of the Beaver scouts. All children received letters inviting them to Tuesday evening sessions. The children really enjoyed the session.

**Emergency Contacts**

Can all parents please make sure that you have provided the correct personal details and phone numbers so that we are able to contact you quickly in the event of an emergency.

**Bikeability training**

Year 5 took part in 'Bikeability' training this week. They started the week off in the playground, learning the basics of cycle awareness and practicing their balancing skills! By the end of the week, they were out on the roads - their growing confidence has been a joy to watch! The children are excited to share their experiences with the farm-goers when they return.
