Friday 30th June was Pyjama Day and it was a huge success!

It was amusing to see the children wander into school as if they'd just got out of bed.

This day was all about raising money for cancer research and we are proud to announce that Mary-Ellen and her support raised the grand total of:

£449.80

Well done Mary-Ellen!

International Day and Enabling Enterprise

'My favourite International Day yet!' 'Can't wait to try out a recipe from my new book' said another parent who had purchased a year 3 recipe book. We were very proud to hear these types of comments.

Despite the heat, it was a great day and we hope you enjoyed the children's performances and the party in the afternoon.

The musical talent on display was amazing and I am sure you will join me in thanking the specialist music teachers for their stunning work with the children.

Can I please remind you that you should not post any pictures of film clips from the performances on social media.

Finally, your food.... It was stunning! Thank you once again for the amazing food that you kindly shared with us yet again.

You are truly exceptional.

Safety in the Sunshine

Please make sure you put sun tan lotion on your children during the hot weather, send the children in with caps and a bottle of water.

We have opened classrooms during lunch time, provided jugs of water throughout the day and have talked to the children about making sure they keep hydrated. We have reminded them to conserve energy and take of their fleeces!
