

Analysis of Key Groups by Key Stage 2017-2018 - Progress

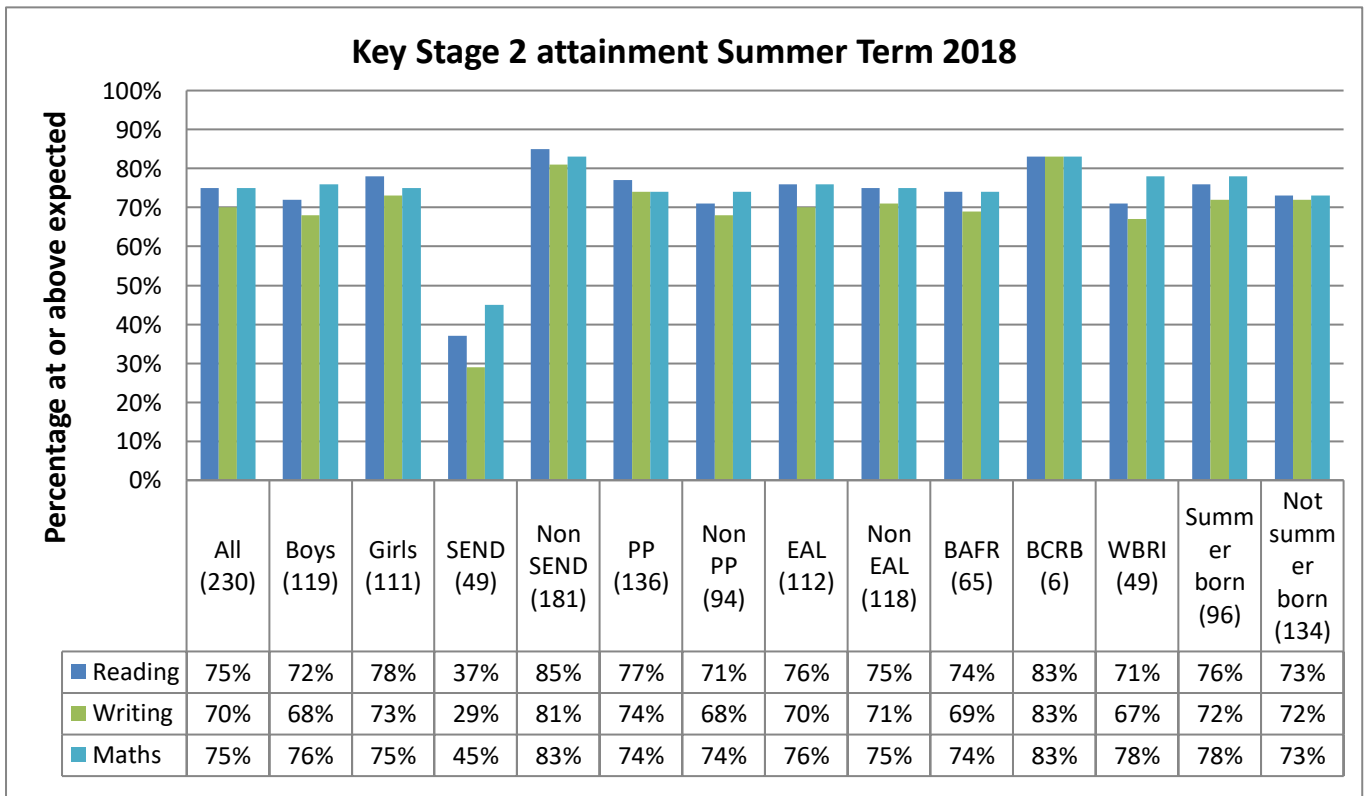

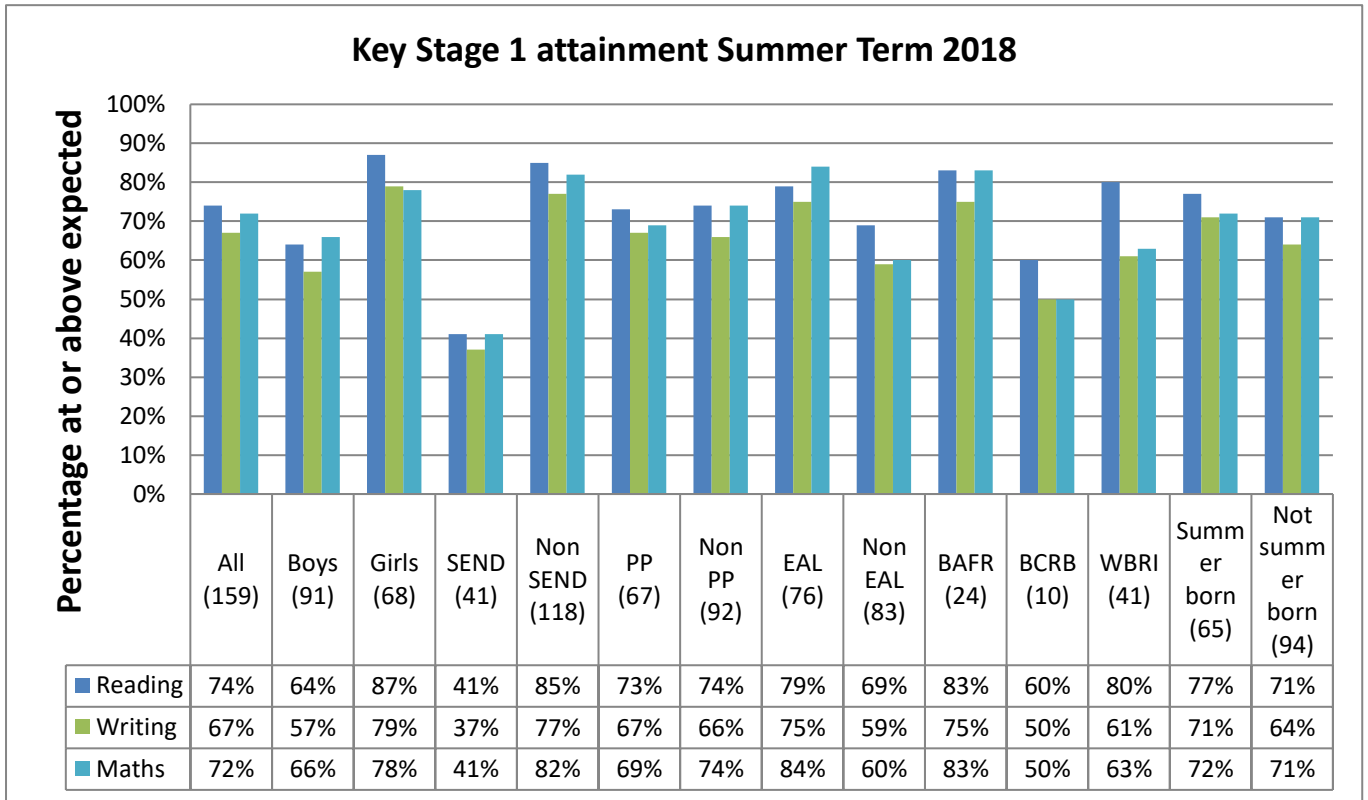

Nb. Progress measure= at least 3 steps of progress from baseline based on Southwark Star

New arrivals from abroad who do not speak English, or casual in year admissions without baseline data are excluded from this analysis as it measures progress from the year baseline.

Analysis of Groups by Key Stage - Attainment

N.b. Attainment data includes all children within the cohort (inc casual entries and new arrivals) and measures the percentage of children operating at or above age-related expectations for each year group. To be age related a child must be a developing or above within their current year group.
