How does Rotherhithe Primary use the PE AND SPORT premium?

We use the premium to:

- Develop and add to the PE and sport activities that our school already offers.
- Make improvements now that will benefit pupils joining the school in future years.

At Rotherhithe Primary school we use our funding by:

- hiring qualified sports coaches to work with teachers
- Providing existing staff with training or resources to help them teach PE and sport more effectively.
- introducing new sports or activities and encourage more pupils to take up sport
- supporting and involving the least active children by running or extending sports clubs
- attending sports competitions
- increasing pupils' participation in school games

EVALUATION OF IMPACT/LEARNING TO DATE

Academic: 2017-2018

In previous years we have completed a self-review of PE, physical activity and school sport.

We have completed a PE, physical activity and sport action plan/ plan for the Primary PE and Sport Premium spend.

Is PE, physical activity and sport is reflective of your school development plan and forms an integral part of our curriculum provision.

Swimming and Water Safety (To be evaluated in July 2018)	Please fill out all of the below:

• Schools can choose to use the primary PE and sport premium to provide additional provision for swimming but this must be for activity over and above the national curriculum requirements. Have you used it in this way?	Choose an item.

REFLECTION: WHAT HAVE WE ACHIEVED AND WHERE NEXT?

In 2016-2017 at Rotherhithe we offered:

- Hire qualified sports coaches to support teachers and teach some of the PE curriculum. The school has hired the services of ELMS, a coaching company who delivers the following PE activities: invasion games, gymnastic, striking and fielding games and orienteering. This initiative benefits all children from the Early Years Foundation Stage through to Year 6.
- Offer a range of after school clubs, accessed by children from Key Stages one and two. These places are offered for free with the exception of Judo club which has a 50% subsidy from the school and parents are required to pay the other 50% (£2.50) per session. Children are able to be professionally graded in Judo (this cost is payable by parents).
- We offer free Judo lessons to all year 6 and 5 pupils as part of their PE weekly PE sessions (120 pupils)
- We offer free Dance sessions as a lunch club (20 pupils), after school club (30 pupils) and as part of each year group's PE lessons. (406 pupils across the year). Every half term a different year group gets the opportunity to work with the professional dance instructor who covers a range of dance forms including street, salsa and more formal dances.
- We offer a Bike club (after school) to year 5&6 pupils (up to 12 children).
- We offer a football club for beginners and intermediate players (up to 15 children)
- Our G&T football players enter weekly tournaments which includes most local schools. Tournaments are held at the local Bacons College (whom we are in partnership with for schools sports and ICT).
- We offer an after school gymnastic club for 20 pupils. Children can also then join local competitions in the local area on weekends.
- We also offer two performing arts (drama, dance & music) after school clubs for vulnerable pupils or pupils on the G&T register (30 pupils).
- We hold an annual Sports week for pupils in N-Year 6
- We worked in partnership with Millwall Football club and had first team players in to speak to children
- We ran a sponsorship event in which Joseph Ikhinmwin completed circuits with the children and spoke to the whole school about his journey to become a basketball player.

In 2017- 2018 we need to focus on:

- Establish a culture of 'Healthy eating – healthy living' to reduce the % of obesity in school.
- To improve P.E. provision across the school, ensuring that curriculum objectives are met.
