

Literacy

- Autobiographies (2 weeks)
- Harriet Tubman (5 weeks)
- Wedding Ghost (5 weeks)
- Daily grammar & spelling practise

RESOURCES:

Harriet Tubman information

Science 1 - Light

Pupils should be taught to:

- recognise that light appears to travel in straight lines
- use the idea that light travels in straight lines to explain that objects are seen because they give out or reflect light into the eye
- explain that we see things because light travels from light sources to our eyes or from light sources to objects and then to our eyes
- use the idea that light travels in straight lines to explain why shadows have the same shape as the objects that cast them

Science 2 - Animals, including humans

Pupils should be taught to:

- identify and name the main parts of the human circulatory system, and explain the functions of the heart, blood vessels and blood
- recognise the impact of diet, exercise, drugs and lifestyle on the way their bodies function
- describe the ways in which nutrients and water are transported within animals, including humans
