Dear parents

Re: Severe Weather Warning

As you are all aware we are due to receive very cold weather over the following week. Please make sure your children are suitably dressed with coats, hats, gloves and scarves. It is better to add layers (which can be removed and are named) to add warmth as the school heating system ensures that the children are warm when inside the building.

If we feel it is necessary, we will restrict outside playtime. We are laying grit down in the playground, but please remind your children to play safely while in school and in the local area if the ground becomes frosty or icy at any time.

IF we have snow we will ask that you send your children straight into class in the mornings and that you ensure that they leave school in a sensible manner at the end of the day.

We are not anticipating any requirement to close the school. You should ensure your child attends school each morning unless contacted by text message or a notice is put on the school's website.

Thank you in advance for your cooperation with this matter.

Yours sincerely

Lisa Christiansen  
Head of School

HEALTHY SCHOOLS  
LONDON
