Year 6 completed a fantastic year in style with a number of performances of Cinderella Rockerfella this week. They mesmerised Reception children on Tuesday and then pulled out all the stops to impress the rest of the school on Wednesday afternoon with the finale in the evening for their parents.

It was a truly stunning performance from the current year 6 pupils, who have worked exceptionally hard to create a professional and entertaining play.

Well done year 6. You were amazing!!

Thanks go to Tom, Alex, Erin, Donna and Lucy for all the hard work and effort they put into getting the children ready for the performances.

Thanks also to Margaret our music teacher – the harmonies were wonderful and to Chantal our dance teacher for the awesome moves.

Thanks to the talented bunch of children that make up year 6.

We wish you well in all that you do. Be as proud of yourselves as we are of you.

We will miss you!

On Friday 13th July we celebrated our acclaimed International Day. Winston (an amazing story teller) conducted workshops for the children, sharing music and stories from around the world. The children were enthralled.

There were a range of musical performances and dances for parents, which we are sure you enjoyed. Our Reception children looked incredibly cute and were amazingly well behaved performing in front of their parents – well done Reception.

The children were also treated to musical performances from the steel band from DKH. The children's performances were stunning.

The afternoon party was blessed with glorious sunshine and the amazing food that you as parents provided. Many thanks for your generosity.

As part of our focus on developing entrepreneurial skills children completed a range of projects across the school and some displayed their work during the International Day party. Well done year 3 & 4 in particular.

You managed to persuade me I was in desperate need of 2 recipe books and a range of chocolate.

Thanks to all who helped organise this successful day with a particular thank you to Nina Hall for organising Enterprise week.

Splash!

On Wednesday 11th July our choir had the fantastic opportunity to perform at this year's Southwark Splash. Splash is a project that involves over 750 children from Southwark schools coming together to perform in a truly inspirational musical project. The children performed at the Queen Elizabeth Hall at the Southbank Centre. The children were exceptionally well behaved.

The following message has been received from the music service in Southwark who organised this event:

'Well done everyone! You listened, followed, made your actions bold and your voices big, and you gave us every bit of energy you had. Thank-you so much for your hard work and commitment yesterday and throughout the project. You were incredible and made us very proud of each and every one of you. You should be very proud of yourselves!'

Prom Night

On Thursday 12th July Year 6 dressed to impress on prom night. They were snapped walking up the red carpet ready for a fantastic party. The children really enjoyed themselves. Thanks go to Donna and Heather for organising this event and also to Mary who touted for prizes for the summer fete raffle and ensured this event was possible.
Many thanks.
