

# Evidencing the Impact of Primary PE and Sport Premium of Rotherhithe Primary School

We are expecting to see an improvement against the following 5 key

Vision for the Primary PE and Sport Premium

**ALL** pupils leaving primary school **physically literate** and with the **knowledge, skills and motivation** necessary to equip them for a **healthy, active lifestyle** and **lifelong participation** in physical activity and sport.

## indicators:

1. the engagement of all pupils in regular physical activity – kick-starting healthy active lifestyles
2. the profile of PE and sport being raised across the school as a tool for whole school improvement
3. increased confidence, knowledge and skills of all staff in teaching PE and sport
4. broader experience of a range of sports and activities offered to all pupils
5. increased participation in competitive sport

Under the [Ofsted Schools Inspection Framework 2015](#), inspectors will assess how effectively leaders use the Primary PE and Sport Premium and measure its impact on outcomes for pupils, and how effectively [governors](#) hold them to account for this. Schools are required to [publish details](#) of how they spend this funding and the effect it has had on pupils' PE and sport participation and attainment.

## How does Rotherhithe Primary use the PE AND SPORT premium?

We use the premium to:

- Develop and add to the PE and sport activities that our school already offers.
- Make improvements now that will benefit pupils joining the school in future years.

At Rotherhithe Primary school we use our funding by:

- hiring qualified sports coaches to work with teachers
- Providing existing staff with training or resources to help them teach PE and sport more effectively.
- introducing new sports or activities and encourage more pupils to take up sport
- supporting and involving the least active children by running or extending sports clubs
- attending sports competitions
- increasing pupils' participation in school games

## EVALUATION OF IMPACT/LEARNING TO DATE

Academic: 2018-2019

In previous years we have completed a self-review of PE, physical activity and school sport.

We have completed a PE, physical activity and sport action plan/ plan for the Primary PE and Sport Premium spend.

Is PE, physical activity and sport is reflective of your school development plan and forms an integral part of our curriculum provision.

<b>Swimming and Water Safety (To be evaluated in July 2019)</b>	Please fill out all of the below:
• What percentage of your Year 6 pupils could swim competently, confidently and proficiently over a distance of at least 25 metres when they left your primary school at the end of last academic year?	Choose an item. %
• What percentage of your Year 6 pupils could use a range of strokes effectively [for example, front crawl, backstroke and breaststroke] when they left your primary school at the end of last academic year?	Choose an item. %
• What percentage of your Year 6 pupils could perform safe self-rescue in different water-based situations when they left your primary school at the end of last academic year?	Choose an item. %
• Schools can choose to use the primary PE and sport premium to provide additional provision for swimming but this must be for activity over and above the national curriculum requirements. Have you used it in this way?	Additional swimming lessons for year 6 pupils.

## REFLECTION: WHAT HAVE WE ACHIEVED AND WHERE NEXT?

In 2017-2018 at Rotherhithe we offered:

- Employed a qualified sports coach to teach the PE curriculum.
- Reviewed and updated the P.E curriculum.
- Offer a range of after school clubs, accessed by children from Key Stages one and two. These places are offered for free with the exception of Judo club which has a 50% subsidy from the school and parents are required to pay the other 50% (£2.50) per session. Children are able to be professionally graded in Judo (this cost is payable by parents).
- From September to March we offer free Judo lessons to all year 6 and 5 pupils as part of their PE weekly PE sessions (120 pupils)
- We offer Dance sessions as an after school club (30 pupils) and as part of each year group's PE lessons. (406 pupils across the year). Every half term a different year group gets the opportunity to work with the professional dance instructor who covers a range of dance forms including street, salsa and more formal dances.
- We offer a Bike club (after school) to year 5&6 pupils (up to 12 children).
- We offer a football club for beginners and intermediate players (up to 15 children)
- Our G&T football players enter weekly tournaments which includes most local schools. Tournaments are held at the local Bacons College (whom we are in partnership with for schools sports and ICT).
- We offer an after school gymnastic club for 20 pupils. Children can also then join local competitions in the local area on weekends.
- We also offer two performing arts (drama, dance & music) after school clubs for vulnerable pupils or pupils on the G&T register (30 pupils).
- We hold an annual Sports week for pupils in N-Year 6
- We began to establish our culture as a 'Healthy eating' school and achieved our gold award.

In 2018- 2019 we need to focus on:

- Continue to develop our culture of 'Healthy eating – healthy living' to reduce the % of obesity in school.
- To improve the % of children achieving the Key Stage 2 standards in swimming.

**SECTION 3 – PLANNING YOUR PROVISION AND BUDGET FOR THE COMING YEAR**

Use the template below to plan how you intend on spending your Primary PE and Sport Premium funding this academic year, to include which of the 5 key indicators that priority relates to. The greyed out boxes allow you to re-visit this section later in the year to review and plan next steps.

Academic Year: <b>2018/2019</b>		<b>Total fund allocated: £19830</b>
