Year 3 Bubble

Dear Parents

I am writing to inform you that your child is being offered a place in a year 3 bubble. This bubble will be taught by Conor McTernan who is a current year 3 class teacher. Your children will return to school this next week on Thursday 2nd July. They will then attend every Thursday and Friday each week till the end of term. If for any reason they cannot attend, you must inform the school.

Arrival and Departure

The children should arrive in school via the school playground entrance. The gates will be opened at 9 am and the children will go straight into **Pearl** classroom where they will wash their hands. Adults will guide them to the correct entrance point in the morning. They must be in class by 9:15 am ready to register. The children will exit from the playground gates at 3:30 pm. If parents collect or drop children off you will be asked to wait at the playground gates ensuring that you remember social distancing guidelines.

The children will be provided with a hot lunch while in school. They must bring a labelled water bottle containing water as they are not able to use the water fountains.

Please watch our reopening film on the website to help prepare children for their return:
<https://youtu.be/ctYjvUiX3Co> .

If you have any further questions please do not hesitate to contact me.

We are really looking forward to seeing the children soon.

Yours sincerely

Lisa Christiansen
Head of School
