Dear parents/carers of Year 5 & 6

Independent Travellers

Year 5 and Year 6 children are allowed to travel home on their own.

If you plan for your child to travel home independently then we need written permission. We would ask that this written permission slip is returned to school as soon as possible so that we can update our records. Only children with specific permission to travel home on their own will be allowed to leave school independently. This is in the interests of the safety and welfare of your children.

Year 6 parents please note that even if your child travelled independently last year we still require written permission again this year.

If you would like your child to travel home independently on the first day of school please either print and sign this letter or write a letter stating your child's name and specifying that you give consent for him or her to travel independently.

We will expect children to be collected from school until we receive this written consent.

Kind regards

Lisa Christiansen
