School Improvement Priorities 2023-24

Leadership and Management

Develop SEN/D provision and initiatives to improve progress and strengthen impact by reviewing assessment procedures, CPD and Interventions.

Embed and enhance the approach to **staff wellbeing** so it impacts positively on mental health and workload.

Quality of Education

Further improve the *teaching and learning and embed the culture of **reading*** so that all pupils make good or better progress and outcomes is in line or above national averages.

Review the sequencing (**progression of knowledge and skills over time**) of foundation subjects building towards clear end points ensuring knowledge and skills across the range of subjects builds systematically from EYFS to Year 6.

Behaviour and attitudes

Address and reduce barriers to learning through explicitly teaching **metacognitive strategies** including teaching children how to plan, monitor and evaluate their learning and thus creating an environment which promotes high aspirations, positive attitudes to learning and emotional wellbeing.

Personal Development

Develop the breadth of the curriculum creating **equality** of opportunity in an **inclusive** environment where pupils are inspired to **lead and influence**.
