

# INFORM

## Construction News

Issue 2 - August 2020

**FARRANS**  
A CRH COMPANY

### WELCOME

To the second newsletter for **Rotherhithe Primary School**.

This inform newsletter is designed to keep you up-to-date during the construction of the new Rotherhithe Primary School.

This newsletter will be produced regularly throughout the project, providing you with information about the team involved, the timing of works, upcoming events and more detail on the facilities you can expect to find in the new building.

### MEET THE TEAM

#### Tony Wren

Farrans Site Manager

Mob: 07585952909

Email: TWren@farrans.com

Our site manager, Tony has 30 years' experience within the construction industry. Tony is a qualified ceiling fixer by trade and has completed four schools as an NVQ6 site manager. He achieved a bronze CCS grade for the Grey Court School project in Richmond, London. Tony has won the 2019 Ivor good site hoarding competition and also won safety site of the year with his previous role.

## Rotherhithe Primary School

### PROGRAMME INFORMATION

#### Project Progress

- Hard standing materials such as concrete bases left behind from the previous building are being stripped and removed
- A survey will be carried out for approx. the next three weeks so ensure all safety measures are met
- The cone penetration test arrived on site earlier this week. This is for Investigating the soil ready for the installation of foundation rigs
- 3metre high white hoarding will be installed over the next 2 weeks. We will then work towards installing viewing sections within the hoarding for you all to look through and view site activities

Site clearance works

This week our community engagement team continued to take full advantage of technology by engaging with students virtually. We hosted a 1 week virtual work experience with students across London including Kingsdale Foundation School from Southwark. The students were set ice breaker tasks in order for them to get to know each other, listened to guest speakers talk about their own career journeys including a Design Manager from Farrans and worked in small teams to create a tender. At the end of the week, each team had to present their tender in order to win the project.

*"Thank you for making the sessions so lively and interesting. Its been great to hear that there are many roles within construction, and it has really opened my eyes to the opportunities out there "*

Feedback from one of the students participating in the virtual work experience

## COMMUNITY BENEFITS

As a partner member of the Considerate Constructors Scheme, we abide by a Code of Considerate Practice when building, which is designed to encourage best practice in construction beyond statutory requirements. We are committed to be a good neighbour and

Our Community Engagement Team are working on new 'virtual' education programmes and presentations that will be offered and delivered to local school these will be in line with the current curriculum and aimed at a variety of key stages.

If you have any questions about the works or employment opportunities across London, feel free to contact the project helpline on 01483 717 321

## Site Operating Hours

Monday – Friday  
8 am - 6pm

Saturday  
8am - 1pm

Closed Sundays &  
All Public Holidays

Close monitoring of operations will ensure that disruption is kept to a minimum and completed within the working hours

Deliveries within our supply chain will be scheduled to reduce traffic flow to and from site.
