

# INFORM

## Construction News

Issue 3 - September 2020

**FARRANS**  
A CRH COMPANY

### WELCOME

To the third newsletter for **Rotherhithe Primary School**.

This inform newsletter is designed to keep you up-to-date during the construction of the new Rotherhithe Primary School. This newsletter will be produced regularly throughout the project, providing you with information about the team involved, the timing of works, upcoming events and more detail on the facilities you can expect to find in the new building.

### MEET THE TEAM

#### Natalie Sultana

Stakeholder Engagement  
Coordinator

Email: [nsultana@farrans.com](mailto:nsultana@farrans.com)

Our stakeholder engagement coordinator Natalie has 8 years' experience within the construction industry. Natalie started her career on the Blackfriars Bridge project back in 2012. As she gained more experience, her role took her across major infrastructure projects such as Crossrail and High Speed 2. Natalie is passionate about helping the local community whilst projects are underway. This has led her to winning the corporate social responsibility of the year construction news award in 2018 for her employment rehabilitation scheme which she is a founder of along with other contractors.

## Rotherhithe Primary School

### PROGRAMME INFORMATION

#### Project Progress—Enabling Works

- The new hoarding around our site perimeter has now been installed and is complete. This is for noise and dust protection in the local area
- We are currently removing concrete obstructions from an existing building
- We are preparing the essential ground foundations that will support the new building

Site clearance works

## Project Progress

### Main Works

- There are continuous movements via lorries to clear the site of soil and vegetation
- The cone penetration test that investigated the soil to determine if it is ready for the installation of foundation rigs is now complete
- We will soon be adding a new community notice board to our site hoarding. This will include a copy of each newsletter that has been issued, as well as various exciting project updates and community engagement events

## COMMUNITY BENEFITS

As a partner member of the Considerate Constructors Scheme, we abide by a Code of Considerate Practice when building, which is designed to encourage best practice in construction beyond statutory requirements. We are committed to be a good neighbour and

### Site Operating Hours

Monday – Friday  
8 am - 6pm

Saturday  
8am - 2pm

Closed Sundays &  
All Public Holidays

Close monitoring of operations will ensure that disruption is kept to a minimum and completed within the working hours

Deliveries within our supply chain will be scheduled to reduce traffic flow to and from site.

Our Community Engagement Team are working on new 'virtual' education programmes and presentations that will be offered and delivered to local school these will be in line with the current curriculum and aimed at a variety of key stages.

If you have any questions about the works or employment opportunities across London, feel free to contact the project helpline on 01483 717 321
