

Rotherhithe Primary School

School based Brass Enrichment Programme

Music

School-funded Brass lessons are available for selected students by audition in year 4.

We currently have 10 children in year 5 and 10 children in year 6 receiving weekly lessons.

The expectation is that children practice at home, attend a weekly group lesson and participate in a weekly brass band altogether. Potentially children with exceptional talent and commitment will be sufficiently good to apply for music scholarships to secondary school, as well as have access to highly subsidised holiday courses in Southwark.
