Friday 9th December 2022

Dear Parents and Carers,

What a fantastic week of performances we have had. Christmas is definitely coming soon!

The children in Reception and Nursery looked extremely cute. Reception elves hunted for the **'Tenth Present'** that had gone missing and nursery penguins marched and twirled across the floor in their **Penguin Show**.

Year 1 wowed us with their polished performance of the **nativity story**. From the angel to the shepherds to Mary and Joseph and everyone in between, all children spoke their lines with such confidence and conviction. And the songs - incredible! With actions used to help tell the story, it felt like we were watching a West End production.

Year 2 treated us to the much-loved **'Whoops a daisy angel'**. Their singing was fantastic, and the children performed with flair. An extremely memorable performance.

In Key Stage 2 the children presented a range of Christmas concerts. Year 3 delighted with their **'Spirit of Christmas'**, which included a musical instrumental that showcased Santa's trip across the sky until he got stuck in the chimney! I was impressed by how many poems they had memorized.

Year 4 & 5 performed the story of the **'Little Match Girl'** one of my all-time Christmas favourites! Their orchestral concert was extremely impressive -with brass band performances, great narrations, and beautiful singing.

Year 6 finished the Key Stage 2 performances with their concert **'Twas the very first nativity'**. They truly sang like angels and their Christmas version of Bohemian Rhapsody was spine tingling.

Well done to all the children and staff for their hard work. We know parents enjoyed the opportunity to see children perform live. Thank you for your donations to school funds.

**Photographs & Filming:** Can I please remind parents that any photographs of films that you took during performances should not be posted or shared on social media. We took a lot of photographs, and you can see them on our website: [Click here](#).

**Christmas Dinner** on Thursday was a huge success. The children had fun singing along to Christmas tunes while telling each other Christmas jokes.

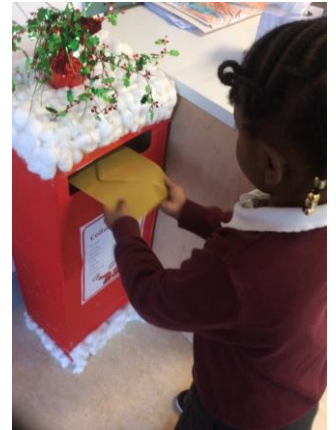

**Christmas Raffle:** not long now until the Christmas Fair. I've heard Santa is putting in an appearance! If you haven't bought a raffle ticket time is running out! Don't miss your chance to be a winner. You can purchase tickets from Sharon in the school office at £2 per strip of tickets.

**Class Parties** are on Thursday. Please send in a donation of a £1 so that teachers can buy party food. Children can wear sensible party clothes on Thursday.

**Early closure:** Don't forget we close early at 2pm on Friday 16<sup>th</sup> December.

Have a fun filled weekend. Lisa (HoS)

# Christmas comes to Nursery

Christmas is a fantastic learning opportunity in nursery. From sharing Santa stories to writing a letter to send him in the North Pole. Of course, we must remember to post our letters in the postbox on time too!

The children also had the important job of helping the Elves in Santa's workshop decorate presents and sort and order them in size.

The children also created their own stories using Story maker and then created props and acted them out.

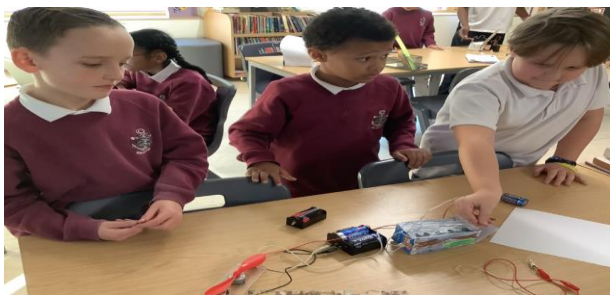

# How Steady is your hand?

Year 6 completed their Design Technology unit by inviting Year 2 children to test/review their 'Steady Hand Game'.

Janae said: 'I like Drake's game because all of the others make beeping noises and it's very annoying but Drake's lights up when you touch the metal'

Nathan said: 'It's cool because when you touch the metal, the propeller spins around'

# Attendance Matters!

A group of children from RPS were rewarded for their fantastic attendance all term with a trip to the Hollywood Bowling alley last week. They had a very memorable time. **Wassim from year 6** said 'It was really fun! I thought it was going to be hard at first because the bowling ball was really heavy, but I managed to get a STRIKE!'

**Tyler:** 'I liked using the bowling ramp because this helped the bowling ball go faster. We had to use our arms a lot. It was hard work, but I enjoyed it.'

The children were extremely well behaved and even managed to win a bronze medal while having a lot of fun! Keep up the fantastic attendance!

**Attendance:** We will be handing out 100% attendance certificates on Friday for this half term block. We are busy booking a range of treats for children who have achieved 100% attendance this half term, including another pizza making lesson at Pizza Express. Will you be chosen to go?

## Starting Reception in 2023?

If you or your friends have a child born between 1st September 2018 and 31st August 2019, they will start Reception in September 2023. Parents can request a tour by contacting the school office.

To help you make your choice for your child's first steps onto their school learning journey, we have created a video of our Early Years learning environment for you. [Click here.](#)

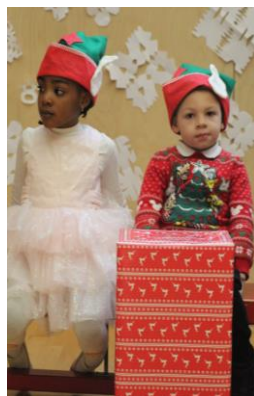

Parents must apply online for Reception places. The deadline for applications to be completed is the **15<sup>th</sup> January 2023**. For more information about applying for a school please read the Southwark brochure on our website.

Rotherhithe Primary School's Art Ambassador's Newsletter

Friday 9th December 2022

Issue 4

Greetings all, since Christmas is coming up, the whole school have created amazing snowflakes for the recent Christmas Plays that some of you may have seen or been to. They have made these snowflakes by folding a piece of paper multiple times, then carefully cutting said pieces of paper, to then unravel them, then at that point you have formed a wonderful, unique snowflake! There are thousands of possibilities for snowflakes that even you at home could create yourself!

The children's snowflakes were also stuck on the back of the wall for their performances for a bit of Christmas spirit to lighten the mood and make parents and family members happier. All of our children at this school worked really hard to perfect their performances and everyone enjoyed it so we are really happy and grateful for all of the parents who attended to see and hear all of their wonderful children singing and dancing!!

**Favourite Book:** Daddy- Daughter Day by Pierce Freelon

My daughter chose this book for us to read, because she said the daddy in the story looks like me. It always makes me smile as I think he might!

The book is about a daddy and daughter planning a perfect day together. Will they play hopscotch in the park or build a pillow fort and stay inside? Or maybe they will frolic like princesses or find a big tree to climb? Their relationship is a joy to read.

Why not try out these books featuring dads and their children.

Wrap Around Care Magna Groups are consulting with RPS to establish whether there is a demand to introduce a NEW onsite OFSTED breakfast and after school care provision commencing January 2023.

To establish the existing requirements of parents for this provision they would welcome your feedback as to whether this would be a service parents and carers would require and use. Please do complete the survey clicking on this [link](#). This will allow parents and carers to register their interest.

Magna services want to provide high quality provision for children whilst providing affordable and flexible childcare for parents. They will be offering a 'Question & Answers' session for RPS parents on Tuesday 13<sup>th</sup> December at either 8 am or 9 am.
