Issue 11

Hello, we hope you had a good week. The school pupils art in Ravensbourne class (in year 4/5) involved sticking tissue paper, prints of flowers and amazing, creative drawings to make beautiful pieces of art. Here is a picture of the art work.

In Fleet Class, they did paintings mixed with drawings of turtles, and things they like such as diamonds, hearts and fish.

Fleet class also done portraits of themselves. Every child's art was outstandingly beautiful and full of colours. Here is just a few of the amazing art pieces.

In Walbrook, they did portraits of the famous artist, Frida Kahlo who unfortunately passed away on the 13th of July 1959. Here are some photos of the amazing art work.
