Rotherhithe Primary School's Art Ambassador's Newsletter

Friday 21st April 2023

Issue 15

Hello, I hope you had an amazing Easter Holiday. This week, the year 4/5's did some DT Projects using Spaghetti and tape to make sturdy bridges using shapes such as triangles, straight lines and squares. They used instructions from a video to make these extraordinary structures. Here are some photos.

A few of the year 3's have made some plant pots and bird feeders using plastic bottles as part of the Design And Technology sustainability Easter Project. Here are some photos of their amazing projects.

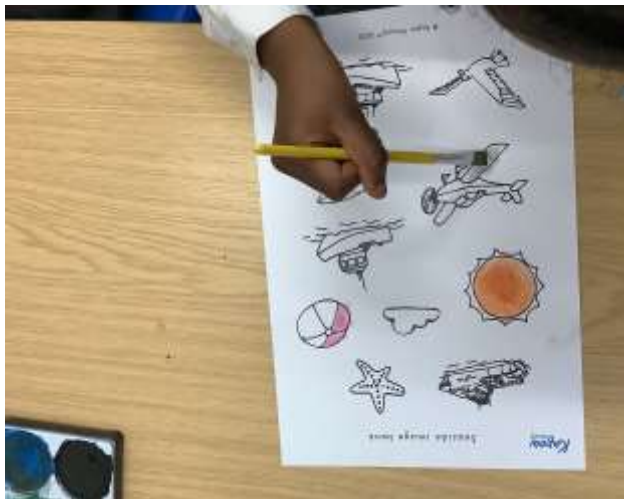

Here are some photos

In year 6 some of the students in Thames class have made plant pots and bird feeders using recycled Apple Juice bottles and string.

In year 1 the students in Whale class have done some art of their own using water colours.

## QUIZ: ART JOKE CHALLENGE!

Think you're funny? Can you guess the punch lines to these art jokes?

What do you call an artist with a bad cold?
