Rotherhithe Primary School's Art Ambassador's Newsletter

Friday 12th April 2023

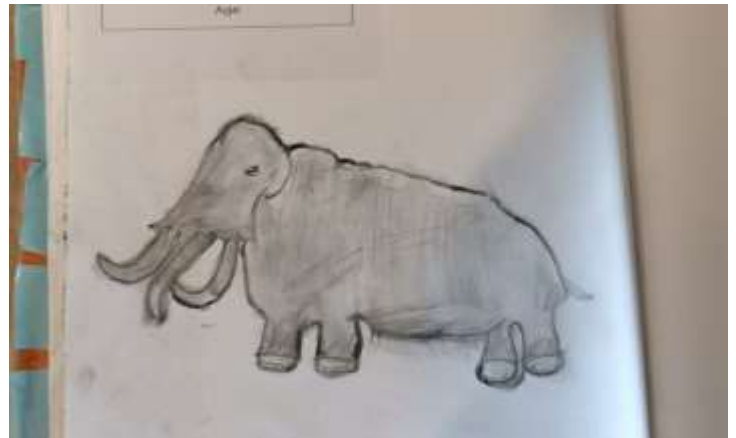

Issue 18

Hello, we hope you had a good week. This week in year 3 the students have sketched cave paintings of animals from the stone age using charcoal.

Here are some photos of their art

In year three, the students are going to use some food spices to make a 'flavourful' piece of vibrant and fragrant art. This art work will be presented next week with many more to come.

Mareclina

'I enjoyed designing the colours.'

Daniel

'I enjoyed when I created and drew the stuff we had to do.'

Roselyn

'I like drawing the animals.'

In year one, they have identified colours used in artist's works, mixed colours to match those they've seen and applied the colours carefully with a paintbrush creating a textured piece of outstanding art.

In year 4/5 They worked on writing a sentence using emojis .

They had to pick some emojis then rearranged them and think of a sentence that would best.
