## Summer Fair

**Friday 30th June 2023**

Dear Parents and Carers,

What a busy week! After all the sunshine we have enjoyed this half term, we had hoped for a bit more for our summer fair, but the wind and drizzle did not deter us and it was a fantastic event. The brass band was a real hit and it was impressive to see how much progress the children have made. Well done to all.

The Fire Brigade arrived ...then they left when they received an emergency call! We were so very pleased that they did manage to finally rejoin us. They were clearly a hit and I know there were a few members of staff who were itching to get a turn in the fire engine too!

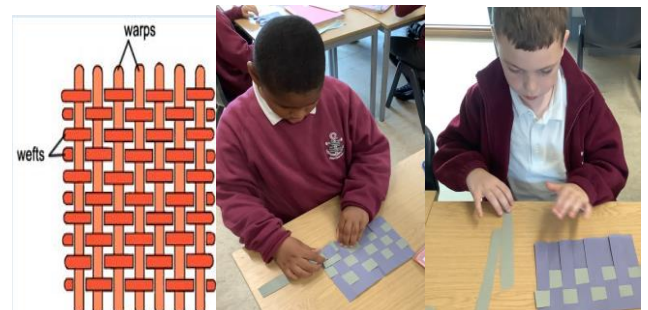

Thanks to all staff, parents and children who helped make this event a success and to Alex Montgomery for organizing the afternoon. We know you enjoyed it! Funds raised will be used for a variety of special events for the children across the year. Thank you for your ongoing support of the school.

**Lost Property:** We purchased a new box to hold the lost property and now this one is overflowing! Please do check the box if your children have lost clothing. Any unnamed items will be sold at the next school event. This seems a pertinent time to remind you to please, please put children's names into their clothing so they can be reunited with their owners.

**NEST Mental Health 101:** On Monday each year 6 class took part in a workshop delivered by the NEST. They considered what is meant by mental health and the impact of social media on it. They also looked at positive strategies to promote positive wellbeing- such as meditation.

**Weaving:** Year 3 have impressed us in art this week as they learn the skill of weaving. They learned about warps and wefts and focussed really hard on creating their own woven patterns.

**Margaret's Musical Finale:** Next Friday 7<sup>th</sup> July will be the last day that we get to share the wonderful talents of Margaret and her team in their current form. We will be holding a special musical day with a range of events going on. Please do look at the flyer below.

Have a fantastic weekend! Lisa (HoS)

# We love our planet!

Year 4 & 5 children have been considering the environment, the impact of pollution on the planet and our air quality. The class have been writing poems and raps about their concerns.

They are really very moving. Well done year 4 & 5. I am sure the planet would be in safe hands if you were in charge!

## Save our Planet

By Seth (year 5)

Walking through the neighbourhood,  
nothing amiss in sight.  
But if you look closely,  
problems come to light.

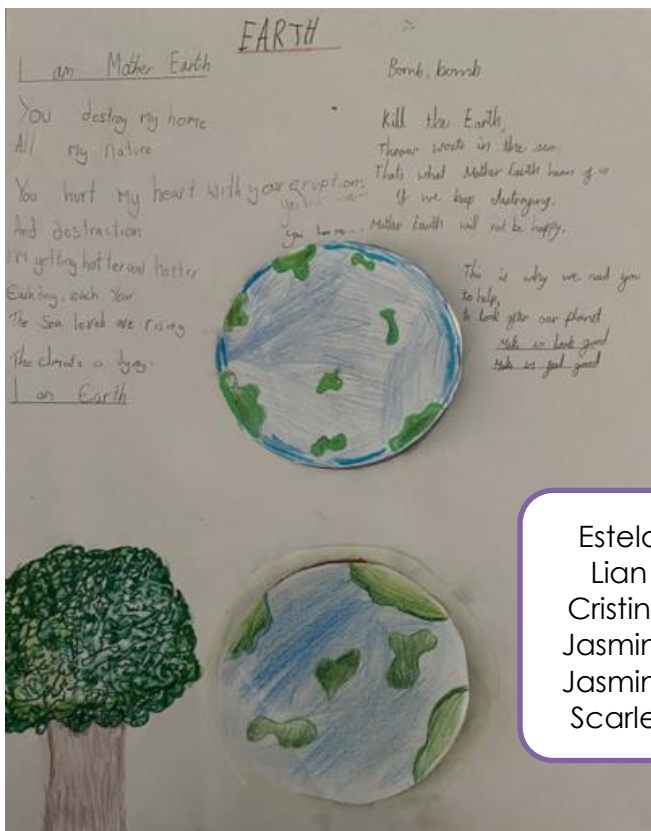

Observe all the cars,  
all the pollution,  
but pray tell,  
where is the solution?

Trees dying,  
fallen leaves crying,  
but the problem is,  
only some of us are trying.

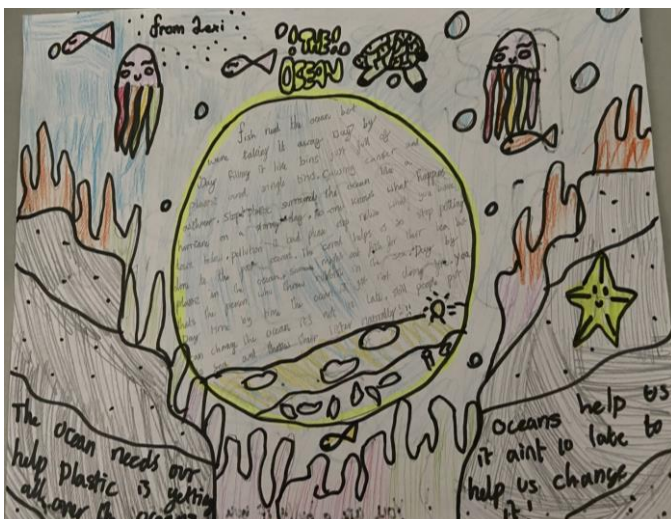

Throw plastic into an ocean  
what happened to thee?  
we can only watch,  
as you kill a fish or three.

Fossil fuels  
coal, oil and natural gas,  
but the problem is,  
they will come to pass.

So please hear our plea,  
come to our aid,  
if you do thank you  
the world will be saved.

# We love the TATE!

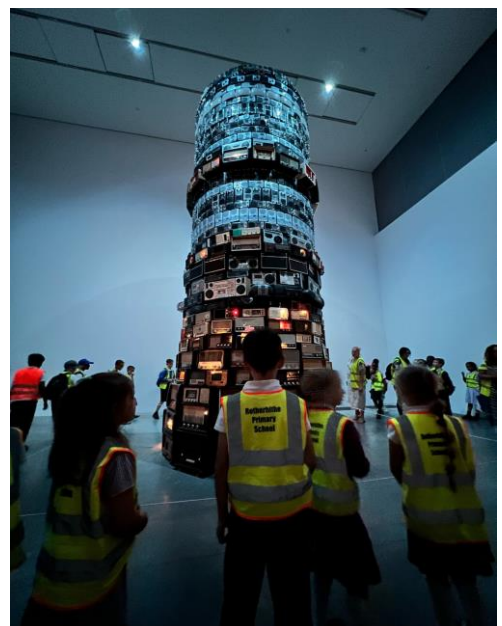

This week it was Wandle class, Whale class and Reception classes turn to visit the Tate modern. They have all had a fantastic time and were very well behaved. I was super proud on Thursday when I received an email from a member of the public who wanted to praise the children, staff and school for the efforts that the school is making to promote the arts to the children. I just had to share the email with you!

Dear Ms Christiansen,

I was at Tate Modern yesterday visiting the Hilma af Klint and Piet Mondrian exhibition. I just wanted to let you know that I saw a group of your young children at the exhibition and I was so impressed by the children and the adults accompanying them. It was wonderful to see the children engaging with the art, talking about what they were seeing and sharing their thoughts, so well supported by the adults. It is fantastic that you are enabling trips like this and I do hope as many of your children as possible get to experience this kind of visit. Sometimes it feels so worrying and concerning that the Arts aren't being given enough time and status within the crowded curriculum; I feel so strongly that children need as many creative and artistic opportunities as possible, so it was heartening to see your lovely group.

Wishing your school and your children all the very best

## Teacher Book Recommendations

**Class Teacher:** Kealan Doherty

**Favourite Book:** Perfectly Norman

I have chosen this book to celebrate the end of pride month. The story 'Perfectly Norman' is a charming book written by Tom Percival. When Norman grows a pair of wings, he is not sure how people will react. This book is about self-esteem. It is a tale which inspires children to have the courage to stand out. This story is an uplifting story about individuality, with stunning illustrations. This book means a lot to me because I feel this book shows that kindness is one of the most important qualities to teach children, no matter where they come from, their race, their gender and their sexual orientation. This book celebrates difference in a positive and thought-provoking way. The children in Whale class have really enjoyed this story. Fans of the authors Oliver Jeffers and Benj Davies will love it.

## GOODBYE - GOOD LUCK

We are coming to that time of year when we have a few goodbyes to say. It is with both sadness and huge appreciation for all their hard work, that we will be saying goodbye to....

**Colleen** – teacher of Lea class who will be returning to her family in South Africa

**Emily** – teacher of Jellyfish class who is moving to work closer to her home.

We have loved working with you both and wish you all the best for the future.

### Class Photographs are Ready!

The children were given a proof card with a QR code on the back for you to order your class photograph. Once you register using the QR code it will then send you an email notification. If by chance you did not receive your proof, or it has been lost you can call Vancols parent line on 01206 273711. The cut off date for free postage back to the school is the **6th July**.

<b>Whale</b>	Amara	Amara has been exceptional this year. She has made impressive progress in all areas of the curriculum, especially writing. Amara is now fully independent in her learning and has also shown a great attitude. Amara was also amazing on our school trip and other adults complimented her role model attitude.
<b>Coral</b>	Christine B	Christine B- In class Christine has shown commitment and determination each lesson. She acts on feedback given and applies this to her work. Keep it up!
	Zackerie	Zackerie- Zack has been a superstar in English. He has improved his presentation and uses phonics to help him with spelling. Well done!
<b>Seal</b>	Ruben	Ruben has amazed the class with his amazing attitude. Even when he is tired, he puts 100% into his learning. He is both ambitious and resilient in every challenge he is given.
<b>Effra</b>	Abdillahi	Abdillahi was amazing on our school trip to the Horniman Museum this week. He always listened well to the teacher's instructions; he focused well in the learning session on the Stone Age and was focused when we were walking around the natural history museum. Well done!
<b>Walbrook</b>	Marcelina	Marcelina has been working on regulating herself and managing her emotions. She has tried very hard at learning to be patient and accepting change. Marcelina has also been actively listening whilst on trips, she has followed all instruction and was a great role model. Keep it up!
<b>Ravensbourne</b>	Su'riah	In Y4/5 we are learning about the Titanic. Our students have been enthralled by the story. Su'riah has independently researched and read more about the event outside of class. It is exciting, for a teacher, when a student makes the effort to learn more without prompting. I am confident that she will be successful next year if she continues to approach her learning in this way. Keep it up, Su'riah.
<b>Wandle</b>	Reymell	Reymell has settled into Wandle class marvellously. He is hardworking, kind and has a great sense of humour. All the ingredients to make a perfect classmate!
<b>Fleet</b>	Robert	Robert is our 'Star of the Week' for being such a terrific writer. This week, Robert has written a marvellous letter to a friend about what is like as a first-class passenger on the Titanic. His work was presented beautifully, with a range of interesting vocabulary and consistent punctuation.
<b>Lea</b>	Yazin	For displaying excellent dramatic skills during our rehearsal. He is projecting his voice well and delivering his lines clearly and with appropriate expression. Well done!
<b>Thames</b>	Alexander	For displaying excellent dramatic skills during our rehearsal. He is projecting his voice well and delivering his lines clearly and with appropriate expression. Well done!
