

Rotherhithe Primary SEN Information Report

Special Educational Needs and Disability (SEND)

VISION / MISSION

Rotherhithe Primary School is an inclusive school where there is a shared expectation that all pupils, regardless of their specific needs, should be offered inclusive teaching which will enable them to make the best possible progress in school and feel that they are a valued member of the wider school community.

The range of support deployed will be tailored to individual need, following thorough assessment by internal or external agencies. It is designed to promote pupils working towards becoming independent, courageous, resilient and ambitious learners.

WHOLE SCHOOL/SETTING APPROACHES

Information on policies, people and statutory guidance

School policies and statutory guidance

The School's SEN Information Report should be read in consultation with other key school policies that are accessible on the school's website: Teaching and Learning Policy, Safeguarding Policy, Behaviour Policy, Administration of Medicine Policy, Equalities Policy.

The specific objectives of our SEN Information Report are as follows:

- to identify pupils with special educational needs and disabilities and ensure that their needs are met
- to ensure that children with special educational needs and disabilities join in with all the activities of the school
- to ensure that all learners make the best possible progress
- to ensure parents are informed of their child's special needs and provision and that there is effective communication between parents and school
- to ensure that learners express their views and are fully involved in decisions which affect their education
- to promote effective partnership and involve outside agencies when appropriate.

The success of the school's SEN Information Report will be judged against the aims set out above. The Governing Body will ensure that it makes appropriate special educational provision for all pupils identified as in need of it. The Governing Body will review subject leader's reviews in the school self-evaluation reports to ensure successful implementation of the school's policies including the SEN Information Report. The SEN Information Report will be reviewed annually in response to adjustments made to the Local Authorities Local Offer and following analysis and assessment of the needs of children attending the school. Effectiveness of the provision provided for children will be made using data analysis and provision mapping. An annual update report for parents will be accessed via the school website at:

<http://rotherhitheprimary.co.uk/>

What is a special educational need?

A person has a special educational need (SEN) if they have learning difficulty or disability that make it difficult for them to learn or take part in one or more aspects of education. They will require special educational provision that is different to or additional to that normally available to children of the same age. For some children this may be a temporary difficulty which can be addressed by a short intervention, while

Rotherhithe Primary SEN Information Report

Special Educational Needs and Disability (SEND)

for others it may be a longer-term need that may require long term support.

Types of SEN, disability and medical needs

The Code of Practice 2014 states that:

‘A pupil has SEN where their learning difficulty or disability calls for special educational provision, namely provision different from or additional to that normally available to pupils of the same age.’

The four broad areas of need identified within the SEN Code of Practice 2014 are:

- **Communication and Interaction** (e.g. speech articulation, stammering, speech and language delay, autism etc) This may be because they have difficulty saying what they want to, understanding what is being said to them or they do not understand or use social rules of communication.
- **Cognition and Learning** (e.g. global learning difficulties, dyslexia, dyscalculia etc) Children may have difficulties in thinking, learning and understanding the world. These difficulties will persist even with appropriately differentiated work.
- ✓ **Social, Emotional and Mental Health Difficulties** (e.g. anxiety, depression, eating disorders, obsessive, compulsive disorder (OCD) etc) Children may experience a wide range of social and emotional difficulties which manifest themselves in many ways. These may include becoming withdrawn or isolated, as well as displaying challenging, disruptive or disturbing behaviour. These behaviours may reflect underlying mental health difficulties.
- **Sensory and Physical Needs** (Visual impairment, hearing impairment, sensory needs (e.g. autism), toileting issues, physical disability etc) Some children may need special educational provision because they have a disability which prevents or hinders them from making use of the educational facilities generally provided e.g. mobility difficulties, sensory needs, hearing or sight difficulties.

Rotherhithe Primary school is committed to using its best endeavours to meet the SEND needs of all children who attend the school.

Who are the best people to talk to in this school about my child’s difficulties with learning/ Special Educational Needs and Disability (SEND) or medical issues?

Class Teacher

If you have concerns about your child, you should speak to your child’s class teacher first.

You may then be directed to the SENCO. The Class Teacher is responsible for:

- ✓ Adapting and refining the curriculum to respond to strengths and needs of all pupils.
- ✓ Checking on the progress of your child and identifying, planning and delivery of any additional support.
- ✓ Contributing to devising personalised learning plans to prioritise and focus on the next steps required for your child to improve learning.
- ✓ Applying the school’s SEN Information Report.
- ✓ Line managing additional TA support that is available within every class.
- ✓ Following any recommendations made by the SENDCO or external specialist.
- ✓ Carrying out on-going assessment within class.

Special Educational Needs and Disability Coordinator (SENDCo)– Jennifer Cristobal

Depending on when and how your child’s special needs have been identified you may speak to ~~one of~~ the school’s SENDCo. You can request a meeting through the class teacher or directly through the school office. You can also email Jennifer at the following: jcristobal@rotherhithe.southwark.sch.uk

The SENDCo is responsible for:

- ✓ Providing specialist advice and facilitating training to ensure that all staff are skilled and confident

Rotherhithe Primary SEN Information Report

Special Educational Needs and Disability (SEND)

about meeting a range of needs.

- ✓ Making referrals to and liaising with a range of agencies outside of school who can offer advice and support to help pupils overcome any difficulties.
- ✓ Assessing or organising assessment of children where there are additional concerns.
- ✓ Ensuring that parents/carers are: 1. Involved in supporting their child's learning and access 2. Kept informed about the range and level of support offered to their child 3. Included in reviewing how their child is doing 4. Consulted about planning successful movement (transition) to a new class or school
- ✓ Analysing progress of SEND children
- ✓ Updating the school's SEND register
- ✓ Ensuring that the Administration of Medicine policy is adhered to and that the medical needs of children are met

Head of School - Lisa Christiansen

If you are unable to contact Jennifer or have a concern about the provision provided for your child, you may at some point speak to the Head of School who oversees inclusion. You can request a meeting through the class teacher or directly through the school office. You can also email the Head of School at the following:

lchristiansen@rotherhithe.southwark.sch.uk The Head of School is responsible for:

- ✓ Line managing the SENDCo and helping to develop the school's SEN Information Report.
- ✓ Providing specialist advice and facilitating training to ensure that all staff are skilled and confident about meeting a range of needs.
- ✓ Ensuring this SEND Information Report is adhered to.
- ✓ Analysing progress of SEND children.
- ✓ Reporting to Governors.
- ✓ Ensuring that the Administration of Medicine Policy is adhered to and that the medical needs of children are met
- ✓ Monitoring and organising provision for children who are Looked After
- ✓ The Inclusion Leader is also a Specialist Dyslexia Teacher qualified to assess for dyslexia

The Executive Head Teacher – Galiema Amien-Cloete

The Executive Head Teacher is responsible for:

- ✓ The day-to-day management of all aspects of the school, including the provision made for pupils with SEND
- ✓ She will give responsibility to the SENDCo and class teachers but is still responsible for ensuring that your child's needs are met.
- ✓ Delegating support staff to classes
- ✓ The Executive Head Teacher must make sure that the Governing Body is kept up to date about any issues in the school relating to SEND

The link SEND governor Agatha Nabweteme

The governor's have a duty to:

- ✓ Support the school to evaluate and develop quality intervention and support for children with SEN
- ✓ Evaluate the impact of provision for pupils with SEN across the school

Speech and Language Therapist (SALT) - Jodi Kozinsky

The school purchase speech and language therapy support privately from a company called Words First.

Jodi, the Speech and Language Therapist allocated to the school is employed to work in school 38 days per year - usually on [Wednesdays](#). She is responsible for:

- ✓ Assessing children identified as being at risk of a speech and language delay or disorder
- ✓ Setting targets to identify the child's additional needs

Rotherhithe Primary SEN Information Report

Special Educational Needs and Disability (SEND)

- ✓ Providing recommendations regarding how to meet the needs
- ✓ Modelling, monitoring the provision, and reviewing the progress made by children with speech and language difficulties
- ✓ Delivering intervention for children with speech and language difficulties
- ✓ Communicating with parents
- ✓ Running workshops for parents
- ✓ Providing in school training for teachers and teaching assistants
- ✓ Liaising with the school's SEND team and class teachers

If you would like to speak to the speech and language therapist this can be arranged through the SENDCO or directly by email to: j.kozinsky@wordsfirst.uk

Safeguarding and Interventions Officer – Kofi Danquah

Kofi can be contacted via the school office or directly at the school gates in the morning or at the end of the day. Kofi is responsible for:

- ✓ Monitoring lunch time provision
- ✓ Monitoring attendance
- ✓ Liaising with external professionals and families to provide appropriate service for vulnerable families
- ✓ Directing the learning mentor
- ✓ Attending meetings and providing support for children with safeguarding needs including those on Child Protection Plans, Child in Need Plans and those that are Looked After (LAC)

Learning Mentors –Lisa Salkeld-Townsley

Lisa can be contacted via the school office or directly at the school gates in the morning or at the end of the day. She is responsible for:

- ✓ Running a Listening Ear service
- ✓ Supporting play during lunch times
- ✓ Organising and supporting after school and lunch time activities such as: Art Club
- ✓ Providing support for new arrivals to the school
- ✓ Supporting children with emotional or behavioural difficulties in school through 1:1 session, small group sessions or in class sessions
- ✓ Running Peace Club
- ✓ Training peer mediators

School Nurse Team

The school nursing team organise for a nurse to visit Rotherhithe Primary School on a regular basis. The school do not currently have a named school nurse, but parents are able to meet a member of the nursing team following completion of a referral. At this point an appointment will be made usually by Sharon Hudson, Kofi Danquah or SENDCo. To arrange a visit contact Sharon Hudson in the school office.

The school nursing team will:

- ✓ Liaising with Sharon Hudson and other members of staff
- ✓ Write and review individualised Health Care Plans for children aged 5 and over. Health Care Plans will only be updated when there is a new medical need that requires it to be updated.
- ✓ Providing training for members of staff (e.g. epilepsy training, asthma, and anaphylaxis or sickle cell training)
- ✓ Carrying out Health reviews for children on Child Protection Plans or children who are Looked After.
- ✓ Attend meetings for children where there are safeguarding concerns
- ✓ Contributing to EHC plans where a child has a medical need
- ✓ Liaising with parents regarding medical needs

Rotherhithe Primary SEN Information Report

Special Educational Needs and Disability (SEND)

Administration of Medicine Assistant – Sharon Hudson

Sharon is responsible for the safe storage of medicine in school. You can contact her directly at the school office. She is responsible for:

- ✓ Liaising with the Head of school, SENDCo, school nurse, parents and teaching staff
- ✓ Ensuring safe storage of medicine
- ✓ Disseminating Health Plans
- ✓ Maintaining a medical needs register
- ✓ Ensuring administration of medicine is recorded appropriately

Wider World of School; Approaches to extra-curricular activities and pastoral care

Admissions

Students with SEND are allocated places in two separate & distinct ways:

Those pupils with EHC Plans have a separate admissions procedure overseen by Southwark's SEN team. Applications for children with special needs or with a disability will be treated fairly.

Those pupils who have SEND but do not have an EHC plan are admitted via the normal school admissions criteria. Detailed information and guidance of how to apply for a place at Rotherhithe both if your child has an EHC plan, or if s/he has special needs but does not have an EHC plan, can be found on the following link:

<http://www.southwark.gov.uk/schooladmissions>

Any Special Needs that are identified on admission are discussed with parents allowing the school to provide support to and put into place support mechanisms to cater for the child's Special Educational Needs or Disabilities.

Environment and reasonable adjustments

What support can be offered to help my child develop good learning behaviour and a sense of wellbeing?

- The school building is a two-storey building with an elevator for easy access. Teachers adapt classroom layouts to cater for children with special needs and or a disability.
- Coloured overlays (including overlays for computer screens) are available for dyslexic pupils.
- Use of electronic equipment such as laptops, ipads, alternative keyboards, dictaphones are available.
- It is also possible to provide modified worksheets for children with visual impairment difficulties.
- Writing slope boards, writing grips, rocket pencils/pens, alternative scissors (e.g. loop scissors) use of 'wobble boards' or move 'n' sit cushions are available for children with Developmental Coordination Disorder (DCD) also known as dyspraxia or ADHD.
- The school has an accessibility plan that is reviewed regularly.

Transition support, visits and events

- Reduced, adapted or modified timetable
- Use of social stories, especially for transition
- Regular contact and liaison with parents
- Transition meetings
- Risk assessments
- Year 6 transition programme
- Year 6 travel programme
- Team Around the Child (TAC) or Team Around the Family (TAF) meetings to support transitions

Intimate Care/Toileting Needs

- The school has a toileting policy that sets out procedures that should be followed to support children who have toileting issues.

Rotherhithe Primary SEN Information Report

Special Educational Needs and Disability (SEND)

- There is a changing unit within the nursery classroom toilets.
- Disabled toilets are widely available throughout the school building.
- Children with toileting needs in Key Stage 1 or 2 will have a toileting plan that is discussed and agreed with parents.
- All year groups have a 'toileting box' that contains equipment such as: clothes, rubber gloves, disposable wipes, to enable them to support the cleaning or changing of children with these issues. Parents are always informed when this has been necessary.
- Sequencing cards, symbols and social stories are used to support parents where children have toilet needs.
- Parents will also be signposted to the website ERIC to support toileting needs - [Potty training: how to start & best age to potty train - ERIC](#) or CAMHS (Child Adolescent Mental Health Services - when toileting difficulties appear to be emotionally related).

Medical Needs

- Separate policy and system for administration of medication
- Care plans for pupils with medical needs
- Support staff to assist pupils with personal care as specified by clinical plans
- Trained paediatric first aiders (to support children)
- Trained First Aid at Worker (to support adults)

Extra-Curricular Activities

The school host a range of extra-curricular activities that are available for children who attend the school. Each club leader is responsible for acquiring consent for inclusion into an after-school club. After School and or lunch time school activities may vary but currently include:

- Art club
- Maths booster club
- Phonics club
- Brass band
- Chess club
- Dance club
- Judo

Contact the school office if you are interested in your child enrolling for one of our after-school clubs.

Behaviour Support

- School sanctions and reward system as set out in School Behaviour Policy
- Individualised positive behaviour system for individual children with particular need
- Learning Mentor Support
- Summer House Behaviour Support Service
- Counselling service support/supervision at unstructured times of the day
- Sensory space
- Regular reviews with parents
- Lunch time Peace club (indoor nurture group for those children who find lunch time challenging)

Pastoral Support/Unstructured parts of the day

Strategies to support the development of pupils' social skills and enhance self-esteem:

- Construction therapy

Rotherhithe Primary SEN Information Report

Special Educational Needs and Disability (SEND)

- Small group programmes including social skills group
- Regular 'celebration of success' opportunities particularly during 'Star of the Week' assembly
- Playground buddies
- Play leader strategies to reduce anxiety/promote emotional wellbeing (including communication with parents)
- For some children, specific lunch time support
- Use of resources such as 'emotion key rings' and 'turn-taking dials'.
- Mindfulness

Support for Improving Emotional and Social Development

Rotherhithe Primary School recognises that children with SEND may find it more challenging to express their opinions and views. They may be at greater risk of bullying. The school actively works to create an environment in which this is less likely to happen.

The school's core values to be: Courageous, Creative, Ambitious, Resilient, Empathetic and Respectful are key to creating an ethos where all staff and children care for each other. Children are taught about how to live by the core values during assemblies and in class. These actively include prevention of bullying and how to manage situations if they occur.

Trauma Informed School

We are a trauma informed school and all staff have received training in this area. We use a range of resources and reflection times to aid children's wellbeing. This include the use of the Zones of Regulation – a strategy that supports all children to understand and express their emotions.

Resilient Yoga

This is taught by a qualified yoga teacher and teaches children the brain science behind their emotions and strategies to help them self-regulate. It includes mindfulness. The children learn key poses and exercised that help develop their core strength.

Jigsaw

Our children participate in the Jigsaw PSHE curriculum that aims at developing children's emotional and social competences, reducing aggression and bullying. Children with additional needs in this aspect are targeted for additional support within the programme within a 'Friendship' group. This group provides them additional opportunities to express their views and to listen to the views of others.

Kids Network

We access Kids Network mentoring support for target children in years 5 & 6. This mentoring programme aims to develop their social confidence, independence and provide children with a positive role model. The programme supports children with transition to secondary school.

Groundwork

The school work with the charity Groundwork to provide teaching for key year groups. They deliver the programme 'Brain Buddies' to children in years 4, 5 & 6 which is a 10-week programme that helps the children to collect a metaphorical toolkit to help manage their emotions and wellbeing. Year 1, and 3 children are taught emotional literacy through the 'Emotion Explorers' programme. Groundwork also work with family to provide parent-led interventions.

Rotherhithe Primary SEN Information Report

Special Educational Needs and Disability (SEND)

The school also organises many events/training throughout the year to prevent bullying such as:

- ✓ Anti-bullying workshops
- ✓ Anti-bullying week
- ✓ Disability Awareness Day
- ✓ International Day

Staff and children have had training in '**Conflict Resolution**' strategies to help teach children to manage conflict in the playground.

Learning Mentor provide key support for children within the playground who have SEN and may have experienced bullying. They actively try to engage SEN children into activities, to help prevent bullying. Vulnerable children are targeted for support from learning mentors who listen and provide support if it is needed.

Approaches to Teaching and Learning

Curriculum and Teaching Methods

How will teaching be adapted to meet the needs of my child?

All children are entitled to excellent classroom teaching also known as Quality First Teaching (QFT). Teachers will have the highest possible expectations for your child and all pupils in their class. Teachers will ensure that teaching is based on building on what your child already knows, can do and can understand. Teachers are skilled at adapting teaching to ensure it is multi-sensory and meets the diverse range of needs in each class. Daily planning considers individual pupil's needs and requirements. Adaptations are in a range of ways to support access and ensure that all pupils can experience success and challenge in their learning. This may include providing additional materials / resources / additional support or an adapted activity. This may also include putting in place specific strategies to support your child to learn which may be suggested by the SENDCo or external professionals from other agencies such as paediatricians, CAMHS clinicians, occupational therapists etc. Homework is differentiated to ensure that it is at an appropriate level.

Grouping arrangements are generally organised flexibly, with opportunities for both ability and mixed ability setting to maximise learning opportunities for all. This will also include challenge activities for the more able children.

Additional adults support children with Education Health Care plans and provide in class or small group support. Monitoring takes place to avoid pupils becoming over reliant and dependent on this adult support. Some interventions may change as progress and needs are monitored.

Types of Intervention

How will my child's access to learning be supported?

In class

- Alternative recording methods
- Visual timetables, now and next boards, communication tools, basic Makaton for class & individuals
- Steps to success used in every lesson
- Adapted activities
- Extension activities
- In class support programmes

Rotherhithe Primary SEN Information Report

Special Educational Needs and Disability (SEND)

- Access to learning support staff in class
- Mentoring support
- Specific adaptations or modification of resources e.g. use of Communicate in Print, picture aids such as Widget etc.
- Guided reading programmes
- Regular teaching of phonics in Reception and Key Stage 1
- Fresh Start reading programme
- Use of IT programmes in class to reinforce strategies
- Ability setting
- Use of Numicon to support developing fundamental maths skills
- Reciprocal Reading
- Individualised behaviour support plan– reward systems, feelings books
- Workstation
- Calm down space or resources to support emotional regulation
- Feelings station
- Adapted pens/pencils/pencil grips
- Tabletop ledge to support posture for handwriting
- Move n sit or wobble cushions – to support postural stability and focus

Withdrawal support

- Learning support after school clubs
- Intensive withdrawal programmes for key skills strategies (e.g. Catch-up reading, Fresh Start phonics, Toe by Toe, Stairway to Spelling, Stride a head, individualised plan, Numicon, Number Box.)
- Programmes to support speech and language where recommended by a speech & language therapist
- NELI language intervention
- Talk Boost (I can intervention)
- Speech and Language Therapist advice disseminated to and implemented by teaching staff
- Speech therapy individual or group work delivered by support staff following speech & language therapist advice
- Support staff to attend Speech and Language training when possible
- Fresh Start Reading Programme (Year 5 & 6)
- Read Write Inc. phonics intervention (Year 3-4)
- Small group intervention programmes numeracy
- 1:1 writing or reading tuition
- Mentoring for children

Staffing Expertise

How skilled are staff in meeting the needs of my child?

An on-going programme of training is in place to ensure that teachers and support staff have appropriate skills and knowledge in areas that will improve their teaching and support of all children including those with SEND and medical needs.

Our SENDCo actively engages with local opportunities. This enables the sharing of best practice and helps keep the school abreast of current local, national initiatives and policy to support pupils with SEND.

The school also seeks advice and guidance from local special schools to review, evaluate and develop provision for pupils who have the most complex needs.

Rotherhithe Primary SEN Information Report

Special Educational Needs and Disability (SEND)

The Head of School is also a dyslexia specialist teacher.

The training priorities are set out in the School's Improvement Plan. This document is created and maintained by the Senior Leadership Team.

Information about early identification and assessment

Assessment

How can I find out how well my child is doing in school?

The Class Teacher is responsible for the assessment of all the children in the class on a day-to-day basis, within the agreed record-keeping and assessment procedures of Rotherhithe Primary School. Baseline assessments are completed in the Nursery and Reception. The Early Years Foundation Stage Profile is carried out at the end of Reception. Concerns noted through these may trigger SEND identification. SEND children in the Early Years are assessed using the EYFS framework from birth to 5.

Progress of children within Key Stage 1 and 2 is tracked formally termly and throughout ongoing assessment throughout the year using Target Tracker. A mixture of teacher judgement against the national curriculum statements and more formal tests are used. Tests used include NTS reading and maths tests, RWI phonic assessments, as well as formal SATs assessments in Year 6 and optional SATs tests in year 2.

The progress of all children is discussed half termly in Pupil Progress Meetings. These meetings may include the Head of School, Assistant Head Teachers, SENDCo and class teachers.

Class teachers identify pupils who are not making progress or who have needs which are affecting their ability to engage in learning activities. The class teacher will use the school's Identification Checklists as a guide when there is a cause for concern regarding specific difficulties such as autism, dyslexia or Developmental Coordination Disorder (DCD) also known as dyspraxia.

In consultation with the SENDCo and parent/carer actions can be agreed with the aim of reducing barriers to learning and ensuring that good progress is made. The intention is always to aim to reduce any attainment gap and ensure that each child can understand and apply good learning behaviour. After discussions with parent/carer additional support can be put into place to provide targeted support to help overcome any difficulties. The views of the pupil will be given consideration.

Personalised planning targets will include reviews that provide information regarding progress made to targets set.

Parent/Carer and Teacher Meetings

Parent/carer can contact the class teacher to request information about how well their child is doing in school at any time. Termly SEND meetings will provide opportunities to discuss how your child is doing in school. Yearly written reports also outline how well your child is doing in school.

Test Access Arrangement

Test Access Arrangements for some pupils' additional arrangements and adjustments can be made to enable them to fully access tests. This might include additional time, rest breaks, use of a scribe or have their work transcribed. The class teacher/SENDCo can inform you about eligibility for these arrangements in

Rotherhithe Primary SEN Information Report

Special Educational Needs and Disability (SEND)

year 6.

SEND SUPPORT including students with EHC Plans

Procedures for considering if a child has SEN

Early Identification

The school aim to provide early identification of children's SEND needs in order that appropriate support can be put into place to address the SEND need. The Code of Practice 2014 states that:

- ❖ **SEN may be present if progress is significantly slower than that of their peers starting from the same baseline**
- ❖ **Fails to match or better the child's previous rate of progress**
- ❖ **Fails to close the attainment gap between the child and their peers**
- ❖ **Widens the attainment gap**

It should be noted that lack of progress does not automatically mean the child has SEN. Other barriers to learning such as poor attendance or punctuality, difficulties related to having English as an Additional Language (EAL), bereavement are just a few of the barriers that may impact on attainment and should be considered when deciding what further actions are necessary. Additionally, some children who are operating within age related expectations or above, may also have a SEN need or disability requiring additional support or intervention, (e.g. diagnosis of autism, ADHD, mental health needs such as anxiety).

If a child's development is causing concern, despite the provision of adapted-learning opportunities, the class teacher will raise concerns with the SENDCo and provide evidence to support their concerns. Initial concerns may have been raised with the class teacher by a parent/carer or another professional. Concerns regarding lack of progress may also be identified within Pupil Progress Meetings.

The class teacher is responsible for informing the child's parent/carer of their concern and collecting any relevant information about the child.

Records of meetings involving parent/carer will be kept and a copy provided for parent/carer.

Information on the schools graduated approach - Assess, Plan, Do, Review (APDR)

Assess

The class teacher and SENDCo will analyse any assessments already conducted and plan any further assessments needed. This may include:

- In class observations
- SENDCo assessment
- Speech and Language Therapy screening assessments
- Literacy assessments including reading tests, spelling tests, handwriting assessments, phonic assessments etc.
- Numeracy Assessments: Sandwell Early Numeracy Test, Early Maths Diagnostic Kit (EMDK), Number Box, Assertive Maths etc.
- Antecedent (what happened before), Behaviour, Consequence (ABC) behaviour analysis observations

Rotherhithe Primary SEN Information Report

Special Educational Needs and Disability (SEND)

- Outside assessments may be accessed at this point for difficulties such as stammering, speech articulation.

Following these assessments, a decision will then be made by the class teacher, parent/carer and SENDCo to initiate SEND support. When external agencies are involved, their advice and recommendations are included in support programmes. Actions agreed consider each pupil's strengths as well as their difficulties. Where appropriate additional support may be deployed to ensure your child can engage in lessons and wider school activities and to facilitate independent learning.

Plan

- Where it is decided to provide a pupil with SEND support the parent/carer will be formally notified usually by the class teacher directly or in writing.
- The class teacher and SENDCo in consultation with parent/carer will agree the interventions and support to be put in place as well as the expected progress. A clear date for review will be set.
- All relevant support staff are made aware of any strategies/interventions to be used with the child.
- Parent/carer will be asked to support the child at home and where relevant advice and support will be provided by school staff.

Do

- The class teacher is responsible for working with all children daily.
- Where interventions involving 1:1 teaching or group teaching occur away from the main class the teacher still retains responsibility for the child.
- The class teacher will work closely with the Teaching Assistant (TA) specialists such as occupational therapist or speech and language therapist-involved to plan and assess the impact of interventions and how they are linked to class teaching.

Review

- The impact of support offered, interventions used, and targets set will be reviewed by the SENDCo, class teacher and TA involved in supporting the child.
- Support arrangements will be updated and revised accordingly. If not involved already, this might include referral to external agencies.
- Parent/carer will be provided with clear information about the impact of the support and interventions during class teacher and parent/carer meetings, enabling them to be involved in the next steps.

Discussion should focus on progress made by the child. Then the following decision can be made:

- 1) Progress is very good, and the difficulty seems to be resolved, (the child's name may be removed from the SEND Register) SEND support ceased.
- 2) Progress is good and support is continued, or progress is monitored to ensure it is maintained.
- 3) If your child is continuing to have significant difficulties, further external expertise may be requested or further intervention or an alternative programme is used.

Please note that identification of SEND does not automatically mean your child will be involved in a specific intervention, throughout the whole of an academic year.

Risk Assessments/PEEP

Individual risk assessments or Personal Emergencies Evacuation Plans (PEEP) may be completed for children with additional behavioural or medical needs. These are reviewed at least once a year. If additional needs occur, then the risk assessment is reviewed automatically by the SENDCo in liaison with the child's parent/carer and class teacher.

Rotherhithe Primary SEN Information Report

Special Educational Needs and Disability (SEND)

SENDIF

If your child joins us in Nursery and we identify possible barriers or learning difficulties that are significant, we may make a request to the Local Authority (LA) for additional support prior to them joining Reception. The SENDIF support service provided by Southwark allows access to external professionals and expertise that can support your child to ensure that when they start in Reception, they receive the additional help they need to progress in school. This referral may then support a future application for an Education Health and Care Plan.

Education Health and Care Assessments and Plans

Education Health and Care Plans (EHCP) / Statutory Assessment

If a child has a severe SEND need then the school or the parent/carer may decide to request a Statutory Assessment. The SENDCo undertakes to provide the school evidence and relevant documentation to send to the LA in accordance with local authority procedures.

During the time that these procedures are being followed the class teacher, SENDCo and specialist will continue to try to meet the needs of the child through personalised planning.

The writing of EHC plans will be completed in consultation with parent/carers, the SENDCo and a representative from the LA.

Children with Education Health and Care Plans (EHC Plans)

When a child has an Education Health and Care Plan, the EHC plan specifies the child's learning outcomes and what provision must be put in place to meet these needs. It is Executive Head and Head of School's responsibility to ensure that the necessary support is organised and put in place using the financial resources provided or from delegated funding.

The SENDCo with the support of the Executive Head Teacher and class teacher and in consultation with other adults (including the parent/carer) working with the child, will be responsible for planning and coordinating the provision. Personalised targets will relate to the objectives set out in the child's EHC plan.

Annual Reviews for children with EHC Plans

A formal Annual Review Meeting involving the SENDCo, class teacher, parent/carer and any specialists involved with the child will be held annually. Pupils when appropriate are invited to attend part of the annual review meeting or to offer their views regarding their progress if they do not feel comfortable to attend in person. All relevant parties will be contacted and invited in writing to the review meeting. They will be invited to send reports detailing the child's progress. At this meeting, new targets are agreed for the year ahead. Copies of the report of the review meeting are sent to the local authority, parent/carer and other attending parties by the SENDCo. The presence of a local authority representative will always be requested at key times of transition (e.g. Reception, Year 2 and Year 5).

If there are significant changes in the child's circumstances between the normal dates for the Annual Reviews, an additional Emergency Review Meeting may be called.

Mediation Services/SEND Tribunal

If parent/carer are not in agreement with a decision made by the local authority they can access mediation services or apply to SEND Tribunal to contest the decision and resolve the disagreement. Information regarding mediation services and SEND Tribunal will be provided to parents by the local authority on application for a statutory assessment.

Rotherhithe Primary SEN Information Report

Special Educational Needs and Disability (SEND)

Arrangements for supporting transitions for pupils with significant SEND

Children and young people with SEND can become particularly anxious about “moving on” so we seek to support successful transition by:

When moving to another school:

- ✓ We will contact the school SENDCo and share information about special arrangements and support that has been made to help your child achieve their learning goals
- ✓ We will ensure that all records are passed on as soon as possible
- ✓ In some cases, additional multi-agency meetings (TAC- Team Around the Child/ TAF –Team Around the Family) may be arranged to create a more detailed “transition” plan which may include more visits to the new school and/or additional visits from the new school.

When moving classes in school:

- ✓ An information sharing meeting will take place with the new teacher
- ✓ Opportunities to visit the new class and teacher
- ✓ A transition book may be created and sent home with parent/carers to read during the holiday period
- ✓ All children transferring from Reception to Year 1 will wear visibility vests to ensure they are easily identifiable in the playground
- ✓ Year 6 buddies will support them within the playground
- ✓ Children will wear communication symbols where speech is limited

When moving to our school

- ✓ All casual admissions will meet with an appropriate member of the Senior Leadership Team to collect information. Learning mentor support will be provided to help children settle into class
- ✓ Where there is SEND need the SENDCo or class teacher will where possible attend a transition meeting at nurseries or schools
- ✓ Early Years Practitioners will conduct a home visit
- ✓ Appropriate support will be deployed to meet SEND needs

Information about funding and resources

All schools are allocated a budget to provide for the educational needs of all children who attend the school.

SEND Budget

In addition, the local authority delegates specific funding to school to meet the needs of children with SEND based on social deprivation factors, the number of children who qualify for free school meals and children's prior attainment. This money is used to meet the additional needs of SEND children within the school. This provision can take many different forms. Support can be provided through the allocation of Human Resources, Curriculum Adaptation, Grouping and Assessment, as outlined above.

EHC Plans

The local authority provide additional ‘top-up funding’ for children with EHC plans. The EHC plan specifies how this funding should be used to support the child needs. The school finance the first £6000 of any EHC plan from the SEND budget. Support is provided for children with EHC plans as specified in their EHC plan. This provision is individualised to meet the child’s specific needs and to achieve the outcomes set out in their plan.

Rotherhithe Primary SEN Information Report

Special Educational Needs and Disability (SEND)

Pupil Premium

Pupil premium funding is also available to meet the needs of children entitled to Free School Meals or who are Looked After. Pupil premium is used in a variety of ways to meet the needs of children, e.g. 1:1 tuition.

Looked After Children (LAC)

Not all LAC children have additional SEN needs but they are a vulnerable group at risk of underachieving. To ensure that LAC children make good progress, 6 monthly PEP meetings are held in school to set education targets and to allocate resources using pupil premium funding. This funding is itemised for each LAC child.

Use of funding/allocation of resources

The Executive Head Teacher deploys support staff to classes to meet the needs of children. This is informed by data analysis taken from the school's assessment cycle and the needs of individual children identified with SEND and or disabilities.

External Agency/Specialist Provision

The school purchase a private Speech and Language Therapist from Words First. She works directly in the school one day per week on Wednesdays. The class teacher can make a referral via the SENDCo.

The school purchase support from the Early Help Locality team, which includes access to an Educational Psychologist (EP), Education Welfare officer, Family Support Worker, Social Worker, and Autism Support Service. Referrals are made directly to the EP service and to the Autism Support Service.

Early Help Team

Referrals can be made to the Early Help Team when further assessment or support is required for children.

An Early Help referral form is used by the SENDCo and the Safeguarding and Interventions Officer and others when necessary to assess the needs of individual children and make appropriate referrals for specialist support. Most of these referrals are sent to the Early Help Locality Team.

We are committed to effective collaboration between all agencies working with a child and a multi-disciplinary approach to meeting children's special educational needs. Team Around the Child (TAC) meetings are organised to enable this. These meetings include parents and professionals involved with supporting children and families. We will actively support the establishment and maintenance of close links with all agencies working with children

Information on where to find further support

Complaints procedures

The school has a Complaints Policy that can be accessed via the school's website. If parents would like to make a formal complaint, they should follow procedures set out within the school's Complaints Policy. The following is a short overview of the complaint's procedure in relation to concerns regarding the provision of children with SEN:

Summary of the School's Complaints Procedure

Stage 1: Parent seeks to resolve the concern with the class teacher.

Resolved?

Yes - No further action.

No - Parent seeks to resolve the concern with the SENDCo or Head of School. For a child with an EHC plan this may lead to an emergency annual review and involvement with the local authority SEN case worker or EHCP Coordinator.

Resolved?

Yes - No further action.

No - Parent puts the complaint in writing to the Executive Head Teacher or SEN caseworker for children with EHC plans.

Stage 2: Executive Head Teacher investigates and responds to the parent.

Resolved?

Yes - No further action.

No - Parent writes to the Chair of Governors. Chair of Governors investigates and responds to the parent. A complaint to the Governing Body must be made in writing and delivered to: The Clerk to the Governors of Rotherhithe Primary School, 160 Tooley Street, London SE12TZ.

Resolved?

Yes - No further action.

No - Move to stage 3

Stage 3: Parent may write to the Secretary of State for Education and Skills.
