2nd July 2025

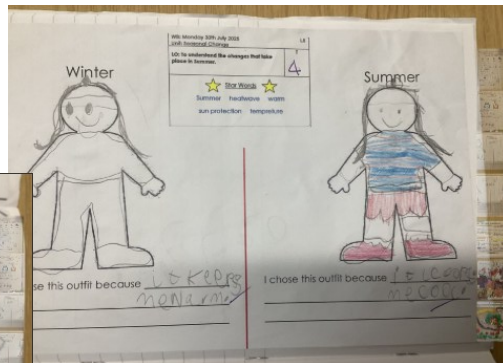

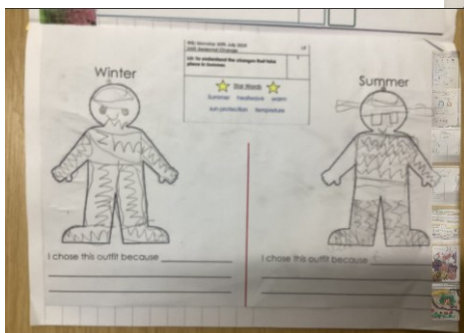

## ART AND DESIGN

The children in year 2 were learning how to compose a collage choosing and arranging materials for effects.

## SCIENCE

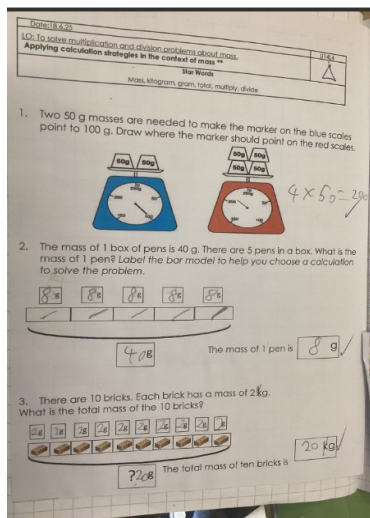

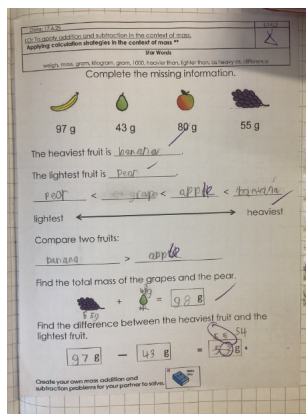

The children in year 1 were learning how to understand the changes that take place in summer.

"I enjoyed finding out what to wear in winter and summer."  
- Rosie

## MATHEMATICS

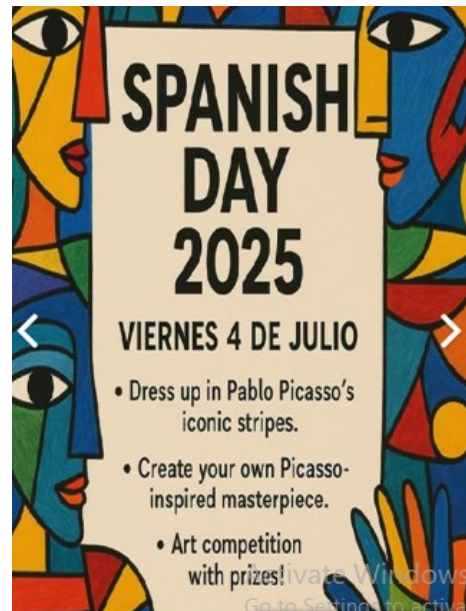

The children in year 2 were learning to solve multiplication and divide problem about mass and applying addition and subtraction in the context of mass.

## **SPANISH DAY**

*This Friday is Spanish Day where children can dress up in Pablo Picasso's iconic stripes. There will also be an art competition where children can create their own Picasso – inspired masterpiece to win prizes.*

"I liked how we had to de-code it all by ourselves" - Cleo

"I liked the character because of the colours." - Mohamed

## **Computing**

*The children in Ravensbourne were learning how to explain how conditions have been used in each program scripts and learning how selection is used in computer programs.*
