

Science Workshop for EYFS children WITH their parents

What makes you sick? Why do you, I, and every other human on the planet get ill? Join our Ri presenter as they dive deep into your very own cells to see how bacteria and viruses invade our bodies and try to take over, and more importantly: what can we do to fight back?

'Super Cells'

Friday 20th March
2 – 3pm
Main Hall

Science Workshop from The Royal Institution

What makes you sick? Why do you, I, and every other human on the planet get ill? Join our Ri presenter as they dive deep into your very own cells to see how bacteria and viruses invade our bodies and try to take over, and more importantly: what can we do to fight back?
